

# ESS Chassis System Kit Remington 700 SA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Remington 700 Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This guide provides essential safety instructions, installation guidelines, and contact information to ensure safe and effective use of your product. Please read this document carefully before use.

## General Safety Guidelines

To ensure the safe use of the MDT ESS Chassis System Kit, please adhere to the following guidelines:

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until ready to shoot.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms and their accessories.

## Specific Safety Precautions for Use

When using the MDT ESS Chassis System Kit, please observe the following safety precautions:

- Ensure that the chassis is compatible with your specific model of Remington 700.
- Do not exceed the manufacturer's recommended specifications for weight and accessories.
- Be cautious when adjusting the buttstock and cheek rest to avoid pinching fingers.
- Always use a reliable magazine compatible with the magazine well.
- Ensure that the barricade stop is in place to prevent pressure on the magazine during use.
- Avoid using beavertail grips without proper trimming, as they may not fit securely.

## Instructions for Installation and Usage

Follow these steps to install and use the MDT ESS Chassis System Kit safely:

### 1. Installation:

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing stock from your Remington 700.
- Align the MDT ESS Chassis with the action of the rifle.
- Secure the chassis using the provided screws and ensure all fasteners are tightened.
- Attach the adjustable buttstock and AR pistol grip according to the manufacturer's instructions.

### 2. Adjustments:

- To adjust the buttstock:
  - Use the thumb wheels to modify the length of pull and height of the cheek rest.
  - Ensure adjustments are secure before use.
- To insert the magazine:
  - Align the magazine with the magazine well and push firmly until it clicks into place.
- To remove the magazine:
  - Press the ambidextrous magazine latch with your trigger finger or left hand, and pull the magazine out.

### 3. Usage:

- Always check that the firearm is safe and ready to use before firing.
- Use the chassis in a controlled environment, following all shooting range regulations.
- Regularly clean and maintain the chassis and firearm to ensure optimal performance.

## Disposal Instructions

When disposing of the MDT ESS Chassis System Kit or any firearm components, please follow these guidelines:

- Dispose of any nonfunctional or damaged parts in accordance with local regulations.
- Do not dispose of any firearm parts in regular household waste.
- Consider recycling materials where possible.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer or your local dealer. Ensure you have the product details available for assistance.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit. Always prioritize safety and compliance with local laws when handling firearms and related accessories. Thank you for your attention to these important safety measures.
