

# ESS Chassis System Kit Remington 700 LA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Remington 700

## Safety Instruction Guide

### Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Remington 700. This product is designed to enhance the ergonomics and functionality of your rifle. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

### General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always be aware of your surroundings and ensure your target is safe.
- Store your firearm and ammunition securely and out of reach of children.
- Regularly inspect your equipment for wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.

### Specific Safety Precautions for Use

- Ensure that the MDT ESS Chassis System Kit is compatible with your specific Remington 700 model.
- Do not exceed the manufacturer's recommended specifications for the rifle and chassis system.
- Use only compatible magazines and ammunition as specified by the manufacturer.
- Always wear appropriate eye and ear protection when using your firearm.
- Avoid using the chassis system in wet or muddy conditions to prevent slipping or loss of control.
- Ensure that all adjustments to the buttstock and cheek rest are securely locked before use.

### Instructions for Installation and Usage

#### 1. Installation of the Chassis System:

- Carefully remove your Remington 700 from its original stock.
- Align the rifle action with the Vblock bedding system in the MDT ESS Chassis.
- Securely fasten the action screws according to the manufacturer's torque specifications.
- Ensure that the magazine well is properly aligned and that the magazine can be easily inserted.

#### 2. Adjusting the Buttstock:

- Loosen the thumb wheels on the buttstock to adjust the length of pull and cheek rest height.
- Position the buttstock to your desired settings and tighten the thumb wheels securely.

#### 3. Using the Magazine:

- Insert the magazine into the magazine well until you hear a click, indicating it is properly seated.
- To remove the magazine, press the ambidextrous magazine latch with your trigger finger or left hand.

#### 4. Safety Check:

- Before loading your firearm, perform a safety check to ensure it is unloaded.
- Check that all adjustments are secure and that the rifle is stable in the chassis system.

## **Disposal Instructions**

- Dispose of the MDT ESS Chassis System Kit responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for information on proper disposal methods for firearm accessories.

## **Contact Information for Further Support**

For any inquiries regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's contact information provided in the product packaging or on the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit for the Remington 700. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
