

# ESS Chassis System Kit Savage CIP 338 Lapua Magnum RH requires 3.85" magazine - MDT ESS Chassis System Kit Savage LA CIP 338 Lapua Magnum RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Savage CIP 338 Lapua Magnum RH Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Savage CIP 338 Lapua Magnum RH. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always handle firearms with care and assume they are loaded until verified otherwise.
- Keep the firearm pointed in a safe direction at all times.
- Store the chassis system and firearm in a secure place, away from children and unauthorized users.
- Use appropriate eye and ear protection while shooting.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- Ensure that the magazine is compatible and properly inserted before attempting to fire.
- Be aware of your surroundings and ensure a clear shooting area.

## Specific Safety Precautions for Use

- Ensure the rifle is unloaded before installing or adjusting the chassis system.
- Only use the chassis with compatible AR pattern pistol grips.
- Make adjustments to the buttstock and cheek rest only when the firearm is not in use.
- Avoid applying excessive force when adjusting the buttstock and cheek rest.
- Do not use the chassis system if any part appears damaged or malfunctioning.
- Be cautious of the barricade stop feature to prevent unintentional pressure on the magazine.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather all necessary tools for installation.

### 2. Installation:

- Remove the existing stock from the rifle.
- Align the MDT ESS Chassis System with the rifle action.
- Securely attach the chassis system to the rifle using the provided hardware.
- Confirm that the chassis is firmly attached and that there are no loose components.

### 3. Adjustments:

- Adjust the buttstock length of pull and cheek rest height using the thumb wheels.
- Ensure adjustments are made while the firearm is not loaded.
- Test the adjustments for comfort and fit before heading to the range.

### 4. Magazine Insertion:

- Insert the magazine into the magazine well until it clicks into place.
- Verify that the magazine is seated correctly before firing.

### 5. Shooting:

- Conduct a final safety check of the firearm and surrounding area.
- Follow all standard safety practices while shooting.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- When disposing of the chassis system, ensure that it is done in an environmentally responsible manner.
- Check with local authorities for guidelines on disposing of firearmrelated products.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety concerns, please refer to the manufacturer's website or customer service resources. Always ensure that you are using the product in accordance with the safety guidelines provided.

By adhering to these safety instructions, you can help ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit. Thank you for prioritizing safety and responsible firearm use.
