

# ESS Chassis System Kit Tikka T3/T3x - MDT ESS Chassis System Kit Tikka T3, T3x SA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Tikka T3/T3x Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Tikka T3/T3x rifle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is suitable for your specific rifle model (Tikka T3/T3x).
- Inspect the chassis system for any damage or defects before use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Always treat your rifle as if it is loaded, even if you believe it is not.
- Keep the chassis system and all related components out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation:** Ensure that the installation is performed in a safe environment, away from distractions.
- **Adjustments:** Make sure all adjustments to the buttstock and cheek rest are secure before using the rifle.
- **Magazine:** Use only compatible magazines with the chassis system. Ensure the magazine is properly inserted before use.
- **Shooting Position:** Always use the rifle in a stable shooting position to prevent accidents.
- **Maintenance:** Regularly check the chassis system for wear and tear, especially after heavy use.
- **Handling:** Always handle the rifle with care, keeping your finger off the trigger until ready to shoot.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing stock from your Tikka T3/T3x rifle.
- Align the MDT ESS chassis with the rifle action and secure it using the provided screws.
- Ensure the Vblock bedding system is properly seated against the rifle action to form a solid base.
- Attach the adjustable buttstock and AR pistol grip according to the manufacturer's instructions.
- Verify that all components are securely fastened before proceeding.

### 2. Adjustments:

- Adjust the buttstock length of pull using the thumb wheels for optimal comfort.
- Adjust the cheek rest height to ensure proper alignment with your sighting system.
- Make lateral adjustments to the butt pad for a snug fit against your shoulder.

### 3. Usage:

- Load the magazine and ensure it is fully inserted into the magazine well.
- Use the ambidextrous magazine latch for easy access to the magazine.
- Position the barricade stop in front of the magazine to prevent pressure during shooting.

## **Disposal Instructions**

- Dispose of the MDT ESS Chassis System Kit responsibly according to local waste management regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consider recycling components where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the MDT ESS Chassis System Kit, please contact the manufacturer or your local dealer. Always ensure that you have the latest information and support for your product.
