

# ESS Chassis System Kit Tikka T3/T3x - MDT ESS Chassis System Kit Tikka T3, T3x LA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Tikka T3/T3x rifle. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read and understand these instructions before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's specifications.
- Always handle firearms with care, treating every firearm as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Inspect the chassis system regularly for any signs of wear or damage.
- Use appropriate protective gear, such as eye and ear protection, when handling firearms.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the magazine is securely inserted before attempting to fire the rifle.
- Do not exceed the recommended weight limit for the chassis system.
- Avoid using the chassis system in extreme weather conditions that may affect performance.
- Do not modify the chassis system in any way that may compromise safety.
- Always ensure the rifle is pointed in a safe direction when loading or unloading.

## Instructions for Installation and Usage

### 1. Installation

- Remove the rifle action from the original stock.
- Align the rifle action with the Vblock bedding system of the MDT ESS chassis.
- Secure the action using the provided screws, ensuring it is tightly fitted.
- Attach the adjustable buttstock to the rear of the chassis, adjusting it for comfort.
- Install the AR pistol grip, ensuring it is firmly attached.

### 2. Usage

- Adjust the buttstock for length of pull using the thumb wheels for a comfortable fit.
- Adjust the cheek rest height to ensure proper alignment with your sighting system.
- Ensure that the magazine well is clear of obstructions before inserting the magazine.
- Test the magazine latch for easy operation with your trigger finger or left hand.
- Utilize the barricade stop to stabilize the rifle when shooting from a supported position.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of any components in general waste.
- Check with local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or support regarding the MDT ESS Chassis System Kit, please reach out to your local retailer or the manufacturer's customer service. Ensure that you have your product details ready for a more

efficient response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit. Always prioritize safety and responsible firearm handling.
