

ESS Chassis System Kit Remington 700 SA LH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Remington 700

Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for the Remington 700. This product is designed to enhance the performance and ergonomics of your rifle. To ensure a safe and effective use of the chassis system, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always treat firearms with respect and handle them safely.
- Keep the chassis system and all associated components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for wear and damage before use.
- If you encounter any issues or have concerns regarding the safety of the product, cease use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Always ensure the rifle is unloaded before installing or adjusting the chassis system.
- Use appropriate eye and ear protection when handling firearms.
- Do not modify the chassis system or any of its components without consulting the manufacturer.
- Ensure that the adjustable buttstock is securely locked in place before use.
- Be cautious when adjusting the cheek rest and buttpad length to avoid pinching or injury.
- When using the magazine well, ensure that the magazine is compatible and securely inserted to prevent malfunctions.
- Always keep your finger off the trigger until ready to shoot.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure you have all components of the MDT ESS Chassis System Kit, including the 15" forend, adjustable buttstock, and AR pistol grip.
2. **Remove the Existing Stock:**
 - Ensure the rifle is unloaded.
 - Use appropriate tools to remove the original stock from the Remington 700.
3. **Install the Chassis System:**
 - Align the action of the rifle with the Vblock bedding system in the chassis.
 - Secure the action using the provided screws, ensuring a snug fit.
4. **Attach the Forend:**
 - Slide the 15" forend onto the chassis and secure it using the provided fasteners.
5. **Attach the Adjustable Buttstock:**
 - Install the adjustable buttstock by sliding it onto the rear of the chassis.
 - Lock it in place according to the manufacturer's instructions.
6. **Attach the AR Pistol Grip:**
 - Install the AR pistol grip by aligning it with the chassis and securing it with the provided screws.
7. **Final Checks:**
 - Ensure all components are securely attached and functioning properly before use.

Usage Instructions

- Adjust the buttstock for length of pull and lateral support as needed using the thumb wheels.
- Adjust the cheek rest height for optimal eye alignment with the scope.
- Ensure the magazine is compatible and properly inserted into the magazine well.
- Utilize the ambidextrous magazine latch for easy access.

Disposal Instructions

- Dispose of the MDT ESS Chassis System Kit and its components in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling programs in your area.
- If the product is damaged or no longer in use, ensure it is stored safely until proper disposal can be arranged.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or contact their customer support for assistance.

Conclusion

By following the safety instructions provided in this guide, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit for the Remington 700. Always prioritize safety and responsible handling of firearms.
