

# ESS Chassis System Kit Tikka T3/T3x - MDT ESS Chassis System Kit Tikka T3, T3x SA LH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch - can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Tikka T3/T3x rifle. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the product is assembled correctly before use.
- Always handle firearms and accessories with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and modifications.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only compatible magazines with the chassis system to avoid malfunctions.
- Ensure that the rifle is unloaded before installing or adjusting the chassis system.
- Do not modify the chassis system in a way that could compromise its integrity or safety.
- Adjust the buttstock and cheek rest only when the rifle is in a safe position, ensuring it is pointed in a safe direction.
- Be cautious when using the magazine latch; ensure your fingers are clear of the action when releasing the magazine.
- Always wear appropriate eye and ear protection when handling firearms.

## Instructions for Installation and Usage

### 1. Installation

- Begin by ensuring that your rifle is unloaded and pointed in a safe direction.
- Remove the original stock from the rifle according to the manufacturer's instructions.
- Align the rifle action with the Vblock bedding system of the MDT ESS Chassis.
- Secure the rifle action in place using the provided screws, ensuring a snug fit.
- Attach the adjustable buttstock by sliding it onto the chassis system and securing it with the adjustment screws.
- Install the AR pistol grip by following the manufacturer's instructions for attachment.

### 2. Usage

- Adjust the buttstock lengthofpull and cheek rest height using the thumb wheels for a comfortable fit.
- Ensure that the magazine is properly inserted into the magazine well before attempting to fire.
- Use the ambidextrous magazine latch for easy access to the magazine, ensuring that your fingers are clear of the action.
- Utilize the barricade stop to stabilize the rifle when shooting from a rest or barricade.

## Disposal Instructions

- When disposing of the MDT ESS Chassis System Kit, follow local regulations regarding the disposal of aluminum and firearm accessories.

- If the product is damaged beyond repair, consider recycling the aluminum components where facilities exist.
- Ensure that all firearmrelated components are disposed of in a manner that prevents unauthorized access.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's contact information provided in the product packaging or on the official website. It is important to have access to support for any safety inquiries or product issues.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the MDT ESS Chassis System Kit.
