

ESS Chassis System Kit Tikka T3/T3x - MDT ESS Chassis System Kit Tikka T3, T3x SA LH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Tikka T3/T3x Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Tikka T3/T3x rifle. This guide provides essential safety information, installation instructions, and usage guidelines to ensure the safe operation of your chassis system. Please read this document carefully before using the product.

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the firearm is unloaded before installation or maintenance.
- Keep the chassis system and all its components away from children and unauthorized users.
- Inspect the product prior to each use to ensure it is in good condition and free from defects.
- Do not modify the chassis system or its components, as this may compromise safety.
- If you notice any damage or malfunction, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Ensure that the rifle is securely mounted within the chassis system to prevent movement during use.
- Use only compatible magazines with the chassis system to avoid feeding issues.
- When adjusting the buttstock or cheek rest, do so slowly and carefully to avoid pinching fingers.
- Always maintain a proper shooting stance to ensure stability and control.
- Avoid placing excessive pressure on the magazine or barricade stop to prevent damage.
- Be aware of your surroundings and ensure a clear line of sight before firing.

Instructions for Installation and Usage

1. Installation of the Chassis System:

- Remove the action from the original stock according to the manufacturer's instructions.
- Align the action with the Vblock bedding system in the MDT ESS chassis.
- Secure the action using the provided screws, ensuring a snug fit.
- Attach the magazine well, ensuring it is properly seated for easy magazine insertion.

2. Adjusting the Buttstock:

- Loosen the adjustment screws using the provided tool.
- Adjust the length of pull and cheek rest height to your preference.
- Tighten the screws securely to hold the adjustments in place.

3. Installing the Pistol Grip:

- Remove the existing grip from the action if applicable.
- Align the AR pistol grip with the mounting hole and secure it using the provided screws.

4. Using the Chassis System:

- Load the magazine and insert it into the magazine well.
- Ensure the magazine latch is engaged for secure retention.
- Position your rifle comfortably against your shoulder, using the adjustable features to optimize your shooting position.

5. **PostUse Maintenance:**

- Clean the chassis system and all components regularly to prevent buildup of dirt and debris.
- Store the chassis system in a cool, dry place when not in use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- At the end of the product's life cycle, dispose of the chassis system responsibly. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's website or contact your local retailer for assistance.

Thank you for your attention to these safety guidelines. Enjoy your MDT ESS Chassis System Kit and practice safe shooting!
