

# ESS Chassis System Kit Tikka T3/T3x - MDT ESS Chassis System Kit Tikka T3, T3x LA LH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

# MDT ESS Chassis System Kit Tikka T3/T3x Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Tikka T3/T3x rifle. This guide provides essential safety instructions to ensure the proper use and maintenance of the chassis system. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow standard safety practices.
- Keep the chassis system and all firearm components away from children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the chassis system.
- Use only compatible magazines with the chassis system to avoid malfunctions.
- Adjust the buttstock and cheek rest to fit your body size and shooting style for optimal comfort and safety.
- Do not exceed the manufacturer's specifications for the weight of accessories attached to the chassis system.
- Avoid using the chassis system with beavertail grips without proper trimming, as this may affect functionality.
- Always check that the magazine latch operates smoothly and does not obstruct the trigger finger.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Tikka T3/T3x rifle according to the manufacturer's guidelines.
- Align the MDT ESS Chassis System with the rifle action and secure it using the provided screws.
- Attach the magazine well, ensuring it is firmly in place for easy magazine insertion.

### 2. Adjustments:

- Adjust the buttstock length of pull using the thumb wheels located on the buttstock.
- Set the cheek rest height to your preference for optimal sight alignment.
- Make lateral adjustments to the buttpad for a comfortable fit against your shoulder.

### 3. Usage:

- Once installed and adjusted, perform a function check to ensure all components operate correctly.
- Practice safe handling and shooting techniques at all times.
- Regularly clean and maintain the chassis system to ensure reliable performance.

## **Disposal Instructions**

- Dispose of the MDT ESS Chassis System Kit in accordance with local regulations.
- Do not dispose of the chassis system in regular household waste.
- Consider recycling opportunities for aluminum materials where applicable.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MDT ESS Chassis System Kit, please refer to the manufacturer's official website or customer service for assistance.

Thank you for prioritizing safety and responsible use of your MDT ESS Chassis System Kit. Enjoy your shooting experience!
