

# ACC Chassis System Kit CZ 455, 457 - MDT ACC Chassis System CZ 455 22LR, 17 HMR RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

# MDT ACC Chassis System Kit Safety Instructions

## Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your CZ 455 or 457 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your chassis system. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that all safety precautions are followed during the use of the MDT ACC Chassis System Kit.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Store the chassis system and firearm securely to prevent unauthorized access, especially by children.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect the chassis system and rifle for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Only use the MDT ACC Chassis System with compatible firearms (CZ 455 and 457).
- Ensure that the buttstock is securely attached before use.
- Do not exceed the maximum weight of 5.6 kg for the chassis alone; adding your action, barrel, scope, and accessories may increase the total weight beyond 1214 kg.
- Use the retention screw on the ARCA/RRS dovetail to secure accessories and prevent them from falling off during use.
- Always wear appropriate eye and ear protection when shooting.
- Avoid using the chassis system in wet or slippery conditions to prevent loss of control.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System:

- Remove the existing stock from your CZ 455 or 457 rifle.
- Align the action of the rifle with the MDT ACC Chassis System.
- Secure the action into the chassis using the provided screws and tools.
- Ensure that the chassis is firmly attached and does not wobble.

### 2. Adjusting Weights:

- To adjust the weight and balance, add or remove weights from the buttstock, interior forend, or exterior forend as needed.
- Make sure that all weights are securely fastened before use.

### 3. Using the MDT Elite Grip:

- Ensure that the grip is comfortably positioned for your hand.
- Adjust the grip angle if applicable for better control.

### 4. Magazine Compatibility:

- Use only AICS style magazines with the MDT ACC Chassis System.
- Ensure that magazines are properly seated in the chassis before attempting to fire.

### 5. PostUse Maintenance:

- Clean the chassis system regularly to remove dirt and debris.
- Inspect all components for wear and replace any damaged parts immediately.

## **Disposal Instructions**

- Dispose of the MDT ACC Chassis System responsibly in accordance with local regulations.
- If the chassis system is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ACC Chassis System Kit, please refer to the official MDT website or contact your local retailer for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ACC Chassis System Kit. Always prioritize safety and responsible firearm handling. Thank you for your attention to these guidelines.
