

# ACC Chassis System Kit Remington 700 - MDT ACC Chassis System Remington 700 LA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.
- Remington 700 LA requires MDT 3.850" magazines.

# MDT ACC Chassis System Safety Instructions

## Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your Remington 700. This guide provides essential safety instructions and important information to ensure the safe and effective use of your product. Please read this guide carefully before using the chassis system.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow standard safety practices.
- Keep the chassis system out of reach of children and unauthorized users.
- Inspect the chassis system regularly for any signs of wear or damage.
- Do not modify the chassis system in any way that could affect its safety or performance.
- Be aware of your surroundings and ensure that you are in a safe environment when using the chassis system.

## Specific Safety Precautions for Use

- **Weight Management:**
  - Be cautious when adjusting weights on the chassis. Ensure that weights are securely attached to prevent accidents.
  - Make sure the total weight of the rifle does not exceed safe handling limits.
- **Compatibility:**
  - Verify that the chassis system is compatible with your Remington 700 LA. Use only MDT 3.850" magazines.
  - Ensure that all accessories are properly installed and secured before use.
- **Shooting Environment:**
  - Always shoot in designated areas that are safe for firearms use.
  - Be mindful of weather conditions that may affect visibility and safety.

## Instructions for Installation and Usage

1. **Installation of Chassis:**
  - Carefully remove the chassis from the packaging.
  - Follow the manufacturer's instructions to attach the chassis to your Remington 700 LA.
  - Ensure that all screws and fasteners are tightened securely.
2. **Adjusting Weights:**
  - Use the provided weights to adjust the balance of the chassis.
  - Weights can be added to the buttstock, interior forend, or exterior forend as needed.
  - Make adjustments gradually, testing the balance and feel of the rifle after each change.
3. **Using the MDT Elite Grip:**
  - Familiarize yourself with the MDT Elite Grip before using the chassis.
  - Ensure that your grip is secure and comfortable when handling the rifle.
4. **Loading and Unloading:**
  - Always follow standard safety protocols when loading and unloading your firearm.
  - Ensure that the rifle is pointed in a safe direction at all times.

## Disposal Instructions

- Dispose of the chassis system according to local regulations for metal products.
- Do not dispose of the chassis in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ACC Chassis System, please refer to the manufacturer's contact information provided with your product. It is important to reach out for assistance if you have any safety inquiries or require further support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ACC Chassis System. Always prioritize safety and adhere to local laws and regulations regarding firearms. Thank you for your attention to these important guidelines.
