

LSS-RF Gen 2 Chassis System Tikka T1x RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-RF Gen 2 Rimfire Chassis System is made after the LSS Gen 2 Chassis, with the same features and upgrades, but for 22LR / 17 HMR rifles and uses factory magazines. Lightweight and compact. Pistol grip and buttstock sold separately, MDT's AR pistol grip and Skeleton Carbine Stock are good choices - but any AR pistol grip without beavertail and any AR stock with carbine buffer tube and castle nut will work. M-Lok compatible forend accepts up to 1" barrels.

MDT LSSRF Gen 2 Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSSRF Gen 2 Chassis System for your Tikka T1x rifle. This guide provides essential safety instructions to ensure safe and effective use of your chassis system. Please read this document carefully before installation and usage.

General Safety Guidelines

- Always handle firearms with care and ensure they are pointed in a safe direction.
- Ensure the rifle is unloaded before attaching or detaching the chassis system.
- Familiarize yourself with the local laws and regulations regarding firearm modifications and usage.
- Keep the chassis system and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for wear and damage before use.
- Report any unsafe products or accidents to local authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the chassis system is compatible with your specific Tikka T1x model.
- Use only factory magazines designed for the Tikka T1x when using the chassis system.
- Avoid using any nonAR pistol grips or stocks that do not meet compatibility requirements.
- Do not exceed the manufacturer's recommended barrel size for the MLoc compatible forend.
- Always wear appropriate eye and ear protection when using firearms equipped with the chassis system.
- Do not alter or modify the chassis system in any way that may compromise its safety or functionality.

Instructions for Installation and Usage

Installation

1. **Prepare the Work Area:** Ensure you are in a clean, welllit area free from distractions.
2. **Gather Required Tools:** You may need basic tools such as a screwdriver and an Allen wrench for installation.
3. **Remove the Existing Stock:** Carefully detach the existing stock from your Tikka T1x rifle, ensuring the rifle is unloaded.
4. **Attach the Chassis System:**
 - Align the chassis with the rifle action.
 - Secure the chassis using the provided screws and tools, following the manufacturer's instructions.
5. **Install the Pistol Grip and Buttstock:**
 - Choose an AR pistol grip without beavertail and an AR stock with a carbine buffer tube and castle nut.
 - Follow the installation instructions provided with your chosen components.

Usage

1. **Check Compatibility:** Ensure all components are securely attached and compatible with your rifle.
2. **Load the Rifle:** Use only factory magazines designed for the Tikka T1x.
3. **Conduct a Function Check:** Before firing, ensure that the rifle operates correctly with the new chassis system.
4. **Maintain Control:** Always maintain a firm grip on the rifle and ensure it is stable during use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- Do not dispose of the chassis system or any firearm components in regular trash. Check with local authorities for proper disposal methods for firearm parts.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT LSSRF Gen 2 Chassis System, please consult your retailer or manufacturer's website for further assistance.

By following these safety instructions, you will help ensure a safe and enjoyable experience with your MDT LSSRF Gen 2 Chassis System. Always prioritize safety and responsible usage.
