

LSS-RF Gen 2 Chassis System Tikka T1x RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-RF Gen 2 Rimfire Chassis System is made after the LSS Gen 2 Chassis, with the same features and upgrades, but for 22LR / 17 HMR rifles and uses factory magazines. Lightweight and compact. Pistol grip and buttstock sold separately, MDT's AR pistol grip and Skeleton Carbine Stock are good choices - but any AR pistol grip without beavertail and any AR stock with carbine buffer tube and castle nut will work. M-Lok compatible forend accepts up to 1" barrels.

MDT LSSRF Gen 2 Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSSRF Gen 2 Chassis System for your Tikka T1x rifle. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your chassis system. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat your firearm and its components as if they are loaded.
- Ensure you are familiar with your rifle's operation and safety features.
- Store the chassis system and all firearm components securely, away from children and unauthorized users.
- Always use the chassis system in accordance with the manufacturer's instructions and local laws.
- Inspect the chassis system regularly for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the chassis system is compatible with your Tikka T1x model before use.
- Only use factory magazines as specified for the LSSRF Gen 2 Chassis System.
- Use only AR pistol grips without beavertail and AR stocks with a carbine buffer tube and castle nut.
- Avoid using the chassis system in adverse environmental conditions that may affect its performance.
- Do not modify the chassis system or its components in any way that could compromise safety.
- Always wear appropriate eye and ear protection when using your rifle.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure you have all necessary tools and components before beginning installation.
2. **Remove the Existing Stock:**
 - Unload your rifle completely.
 - Remove the existing stock by following the manufacturer's instructions.
3. **Attach the Chassis:**
 - Align the MDT LSSRF Gen 2 Chassis with the action of your Tikka T1x.
 - Securely fasten the chassis to the action using the provided screws.
4. **Install the Forend:**
 - Attach the MLoc compatible forend to the chassis.
 - Ensure it is securely fastened and that the barrel is properly seated.
5. **Install the Pistol Grip and Buttstock:**
 - Select your preferred AR pistol grip and Skeleton Carbine Stock (sold separately).
 - Follow the manufacturer's instructions to attach them to the chassis.
6. **Final Checks:**
 - Ensure all components are tightly secured.
 - Conduct a visual inspection of the installation to confirm proper assembly.

Usage Instructions

- Always ensure your rifle is pointed in a safe direction when handling.
- Load your rifle only when you are ready to shoot.

- Follow all local laws and regulations regarding firearm usage.
- After use, clean and maintain your chassis system according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations.
- Do not dispose of the chassis system with regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSSRF Gen 2 Chassis System, please refer to the manufacturer's website or contact their customer support for assistance.
