

# LSS-RF Gen 2 Chassis System Anschutz Match 54 - MDT Chassis - LSS-RF Gen2 - Anshutz Match 54 - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-RF Gen 2 Rimfire Chassis System is made after the LSS Gen 2 Chassis, with the same features and upgrades, but for 22LR / 17 HMR rifles and uses factory magazines. Lightweight and compact. Pistol grip and buttstock sold separately, MDT's AR pistol grip and Skeleton Carbine Stock are good choices - but any AR pistol grip without beavertail and any AR stock with carbine buffer tube and castle nut will work. M-Lok compatible forend accepts up to 1" barrels. Match 54 action, models 1710 and 1712.

# MDT LSSRF Gen 2 Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSSRF Gen 2 Chassis System for your Anschutz Match 54. This manual provides important safety instructions, guidelines for use, installation, and disposal. Please read this guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms with care and follow the basic rules of firearm safety.
- Ensure that the chassis system is compatible with your specific rifle model (Anschutz Match 54, models 1710 and 1712).
- Use only factory magazines designed for your rifle to avoid malfunctions.
- Keep the chassis system and all accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis system for signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or accidents to the relevant authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Firearm Handling

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until ready to shoot.
- Always point the firearm in a safe direction.

### • Installation and Compatibility

- Ensure that the chassis is securely attached to the rifle before use.
- Use only MDT's AR pistol grip and Skeleton Carbine Stock, or any compatible AR components without beavertail and with carbine buffer tube and castle nut.

### • MLoc Forend

- Ensure that any attachments to the MLoc forend are securely fastened and do not interfere with the function of the rifle.

### • Barrel Compatibility

- The MLoc compatible forend accepts barrels up to 1 inch in diameter. Ensure that your barrel meets this specification.

### • Personal Protective Equipment

- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Installation

- Remove the existing stock from your Anschutz Match 54 rifle.

- Align the MDT LSSRF Gen 2 Chassis with the rifle's action and ensure it fits snugly.
- Secure the chassis using the provided hardware, ensuring all screws are tightened to the manufacturer's specifications.
- Install the chosen pistol grip and buttstock according to their respective instructions.

## 2. Usage

- Before firing, ensure that the rifle is properly loaded and that the safety mechanism is engaged.
- Practice safe shooting habits at all times, ensuring a clear and safe environment.
- After use, clean and maintain the chassis and rifle according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the chassis system and any components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options or designated disposal facilities for firearms and firearm accessories.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product. It is important to have access to a reliable source for assistance with any safety concerns or product issues.

By following these guidelines, you can ensure safe and effective use of your MDT LSSRF Gen 2 Chassis System. Thank you for prioritizing safety!
