

LSS-RF Gen 2 Chassis System Savage B22 RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-RF Gen 2 Rimfire Chassis System is made after the LSS Gen 2 Chassis, with the same features and upgrades, but for 22LR / 17 HMR rifles and uses factory magazines. Lightweight and compact. Pistol grip and buttstock sold separately, MDT's AR pistol grip and Skeleton Carbine Stock are good choices - but any AR pistol grip without beavertail and any AR stock with carbine buffer tube and castle nut will work. M-Lok compatible forend accepts up to 1" barrels.

MDT LSSRF Gen 2 Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSSRF Gen 2 Chassis System for your Savage B22 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions.
- Always handle firearms safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Inspect the chassis system regularly for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Handling:** Always treat the firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
- **Installation:** Ensure that all components are securely attached before use.
- **Compatibility:** Use only compatible parts, such as the MDT AR pistol grip and Skeleton Carbine Stock. Ensure that any AR pistol grip used does not have a beavertail and that any AR stock has a carbine buffer tube and castle nut.
- **Barrel Size:** The MLoc compatible forend accepts barrels up to 1 inch in diameter. Ensure that your barrel fits within this specification.
- **Environmental Conditions:** Avoid using the chassis system in extreme weather conditions that may affect performance or safety.
- **Ammunition:** Use only factory magazines and the appropriate caliber ammunition for your rifle (22LR / 17 HMR).

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before beginning installation.
- Remove the existing stock from the rifle.
- Attach the MDT LSSRF Gen 2 Chassis System to the action of the rifle, following the provided installation instructions.
- Securely fasten all screws and components.

2. Usage:

- Once installed, check the stability of the chassis system before firing.
- Adjust the buttstock and pistol grip to your preferred configuration.
- Always conduct a safety check before each use, ensuring that the firearm is functioning correctly.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the chassis system in regular household waste.
- Consider recycling options to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSSRF Gen 2 Chassis System, please reach out to your local dealer or the manufacturer directly. Ensure you have the product details available for reference.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MDT LSSRF Gen 2 Chassis System. Thank you for your attention to safety.
