

# LSS Gen 2 Chassis System Remington 700 SA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT. Remington 700 Chassis also fits Bergara B14 and other Rem 700 clones.

# MDT LSS Gen 2 Chassis System Safety Instructions

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Remington 700 SA RH. This chassis system is designed for lightweight, compact use while ensuring accuracy and ergonomics. To ensure your safety and the optimal performance of your product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure the chassis system is compatible with your specific firearm before installation.
- Inspect the chassis and all components for damage before use.
- Use only AICStyle detachable magazines with this chassis system.
- Keep the chassis system and all accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the chassis is compatible with Remington 700 SA RH and other compatible models like Bergara B14.
- **Installation:** Follow the installation instructions carefully to avoid improper assembly.
- **Weight Limit:** Be aware of the weight limit of your chassis system and do not exceed it.
- **Folding Stock Adapter:** If using a folding stock adapter, ensure it is securely attached and functioning properly.
- **Shooting Environment:** Always use the chassis system in a safe shooting environment, away from bystanders and in compliance with local laws.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all required tools and components, including the AR carbinestyle buttstock, buffer tube, castle nut, and pistol grip.
- Ensure you have a clean and safe workspace.

### 2. Installation:

- Remove the action from the original stock of the Remington 700.
- Place the action into the MDT LSS Gen 2 Chassis System.
- Secure the action using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Attach the AR carbinestyle buttstock and buffer tube according to the manufacturer's instructions.
- Install the castle nut and pistol grip, ensuring they are securely fastened.

### 3. Usage:

- Before each use, inspect the chassis system for any signs of wear or damage.
- Load only AICStyle detachable magazines into the chassis.
- Always ensure the firearm is pointed in a safe direction when loading or unloading.

#### **4. PostUsage Care:**

- Clean the chassis system according to the manufacturer's recommendations.
- Store the chassis system in a secure location, away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of any damaged or nonfunctional components in accordance with local waste disposal regulations.
- Do not dispose of the chassis system in regular household waste. Check for local recycling programs that accept metal and plastic components.

## **Contact Information for Further Support**

For any questions regarding safety, installation, or usage of the MDT LSS Gen 2 Chassis System, please refer to the contact information provided by the manufacturer or your retailer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Thank you for your attention to safety.
