

LSS Gen 2 Chassis System Remington 700 SA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT. Remington 700 Chassis also fits Bergara B14 and other Rem 700 clones.

MDT LSS Gen 2 Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Remington 700 SA RH. This product is designed to enhance the performance and ergonomics of your rifle while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the chassis system safely.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system for signs of wear or damage.
- Do not modify the chassis system in any way that may compromise its safety or functionality.
- Follow all safety instructions provided with your firearm and ammunition.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is unloaded before attaching or detaching the chassis system.
- Use only AICStype detachable magazines that are compatible with the chassis system.
- Be cautious when using the folding stock adapter; ensure it is securely locked before use.
- Avoid using the chassis system in adverse weather conditions that may affect performance.
- If you notice any unusual behavior or performance issues, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your workspace is clean and free of distractions. Gather all necessary tools.
2. **Remove the Stock:** Unload your firearm and remove the existing stock from the Remington 700.
3. **Attach the Chassis:**
 - Align the chassis with the action of the rifle.
 - Secure the chassis using the provided screws and tools, ensuring a tight fit.
4. **Install the Pistol Grip:** Attach the pistol grip to the chassis as per the manufacturer's instructions.
5. **Attach the Buttstock:** Install the AR carbinestyle buttstock and buffer tube, ensuring they are securely fastened.
6. **Check the Folding Stock Adapter:** If applicable, ensure the folding stock adapter is correctly installed and functioning.

Usage

- Always ensure the firearm is pointed in a safe direction.
- Use the chassis system in a wellventilated area.
- Familiarize yourself with the operation of the chassis system before using it in the field.
- Regularly clean and maintain the chassis system to ensure optimal performance.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations for aluminum and firearm accessories.
- Do not dispose of the chassis system in regular household waste.
- Check with local recycling centers for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's contact information provided with your product. Ensure you have the product details ready for efficient assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your enhanced shooting experience with the MDT LSS Gen 2 Chassis System.
