

# LSS Gen 2 Chassis System Remington 700 LA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT. Remington 700 Chassis also fits Bergara B14 and other Rem 700 clones.

# MDT LSS Gen 2 Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Remington 700 LA RH rifle. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read and follow all instructions carefully to prevent accidents and injuries.

## General Safety Guidelines

- Ensure that the chassis system is installed correctly to avoid any malfunctions.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the chassis system and all associated components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- Use only compatible parts and accessories to maintain safety and functionality.
- Follow local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- **Proper Handling:** Always keep the muzzle pointed in a safe direction when handling the firearm.
- **Personal Protective Equipment:** Wear appropriate safety gear, including eye and ear protection, when using the firearm.
- **Environment:** Ensure that you are in a safe and controlled environment when using the chassis system.
- **Storage:** Store the chassis and firearm in a secure location when not in use.
- **Modification Warning:** Do not alter or modify the chassis system in any way that could compromise safety.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Required Tools:** Before installation, gather the necessary tools, including a screwdriver and any other tools specified by the manufacturer.
2. **Remove Existing Stock:** Carefully remove the existing stock from your Remington 700 LA RH rifle.
3. **Install the Chassis:**
  - Align the chassis with the action of the rifle.
  - Securely fasten the chassis using the provided screws and tools.
4. **Attach Additional Components:**
  - Install the AR carbinestyle buttstock and buffer tube.
  - Ensure that the castle nut and pistol grip are securely attached.
5. **Check Compatibility:** Verify that the chassis is compatible with AICStyle detachable magazines.

### Usage Instructions

- Always perform a safety check before using the firearm.
- Ensure that the firearm is unloaded and the safety is engaged before handling.
- Familiarize yourself with the features of the chassis system to ensure optimal performance.
- Practice safe shooting practices at all times.

## Disposal Instructions

When disposing of the chassis system or any components:

- Follow local regulations for the disposal of aluminum and other materials.
- Do not dispose of firearms or firearm components in regular trash.
- Contact local authorities or recycling centers for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the MDT LSS Gen 2 Chassis System, including safety concerns or product support, please reach out to the designated contact point provided by the manufacturer.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Thank you for your attention to safety.
