

# LSS Gen 2 Chassis System Remington 700 LA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT. Remington 700 Chassis also fits Bergara B14 and other Rem 700 clones.

# Safety Instructions for MDT LSS Gen 2 Chassis System Remington 700 LA RH FDE

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Remington 700 LA RH firearm. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your chassis system. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model.
- Always follow local laws and regulations regarding firearm modifications.
- Use the chassis system only as intended and for compatible firearms.
- Keep the chassis system out of reach of children and unauthorized users.
- Inspect the chassis system regularly for signs of wear or damage.
- In case of any malfunction, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to firearm malfunction.
  - Using incompatible parts may cause injury or damage.
  - Always ensure the firearm is unloaded before installation or adjustments.
- **Avoiding Hazards:**
  - Follow all installation instructions carefully.
  - Use only parts and accessories recommended by the manufacturer.
  - Ensure the firearm is pointed in a safe direction at all times.
  - Wear appropriate safety gear, such as eye protection, when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and free of distractions.
- Gather all necessary tools and components, including the chassis system, castle nut, pistol grip, and any additional parts.

### 2. Installation Steps:

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing stock from your Remington 700 LA RH firearm.
- Attach the MDT LSS Gen 2 Chassis System according to the following steps:
  - Align the chassis system with the action of the firearm.
  - Secure the chassis using the provided screws and castle nut.
  - Attach the appropriate AR carbinestyle buttstock and buffer tube.
  - Install the pistol grip as per the manufacturer's instructions.
- Make sure all components are tightly secured before use.

### 3. Usage Instructions:

- Familiarize yourself with the controls and features of the chassis system.
- Regularly check the tightness of all screws and components before each use.

- Use AICStyle detachable magazines as specified.
- When using the folding stock adapter, ensure it is locked in place before firing.

## **Disposal Instructions**

- Dispose of the chassis system in accordance with local regulations.
- Do not dispose of the chassis system in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's website or contact their support team.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Thank you for prioritizing safety in your firearm use.
