

LSS Gen 2 Chassis System Savage 10, 11, 12, 16 SA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

MDT LSS Gen 2 Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Savage Arms rifle. This guide provides essential safety instructions to ensure the safe and effective use of the chassis system. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure the product is suitable for your specific rifle model (Savage 10, 11, 12, 16).
- Always follow local laws and regulations regarding firearm modifications and usage.
- Keep the chassis system and all firearms out of reach of children and unauthorized users.
- Inspect the chassis system and components for any damage before use.
- If you notice any defects or issues, do not use the product and contact a qualified professional for assistance.
- Familiarize yourself with the handling and operation of firearms before using the chassis system.

Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded.
- Use only AICStyle detachable magazines compatible with the chassis system.
- Ensure the folding stock adapter is properly secured before use.
- Use the appropriate AR carbinestyle buttstock and buffer tube as specified in the installation instructions.
- Do not exceed the manufacturer's weight limits for accessories added to the chassis system.
- Wear appropriate safety gear, including eye protection, when handling firearms.

Instructions for Installation and Usage

Installation

1. Gather Required Tools and Components:

- MDT LSS Gen 2 Chassis System
- Compatible AR carbinestyle buttstock
- Buffer tube
- Castle nut
- Pistol grip
- Appropriate tools (e.g., screwdriver, wrench)

2. Prepare the Firearm:

- Ensure the firearm is unloaded and the chamber is clear.
- Remove the existing stock and components from the rifle.

3. Attach the Chassis:

- Align the chassis system with the rifle's action.
- Secure the chassis using the provided screws and tools, ensuring all connections are tight.

4. Install the Buttstock and Buffer Tube:

- Attach the buffer tube to the rear of the chassis.

- Install the buttstock according to the manufacturer's instructions, ensuring it is locked in place.

5. Install the Pistol Grip:

- Attach the pistol grip to the chassis, ensuring it is securely fastened.

6. Final Inspection:

- Doublecheck all connections and ensure the chassis is securely attached to the firearm.
- Conduct a function check to ensure the firearm operates correctly with the new chassis.

Usage

- Always follow safe handling practices when using the rifle with the chassis system.
- When using the folding stock adapter, ensure it is locked in place before firing.
- Regularly inspect the chassis system and components for wear and tear, and replace any damaged parts immediately.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the chassis system becomes damaged beyond repair, contact local recycling centers for proper disposal methods.
- Ensure that all components are disposed of in a way that prevents unauthorized access, especially if they could be used with firearms.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please consult your retailer or a qualified firearm professional for assistance.

Thank you for your attention to these safety instructions and for choosing the MDT LSS Gen 2 Chassis System. Safe shooting!
