

# LSS Gen 2 Chassis System Savage 10, 11, 12, 16 SA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

# MDT LSS Gen 2 Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Savage rifle. This guide provides essential safety information and usage instructions to ensure your product is used safely and effectively. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the chassis system is compatible with your specific rifle model (Savage 10, 11, 12, 16).
- Always handle firearms safely and responsibly, following local laws and regulations.
- Store the chassis system and any firearms securely to prevent unauthorized access, especially by children.
- Inspect the chassis system regularly for any signs of wear or damage.
- Use only AICStyle detachable magazines with this chassis system.
- Follow all manufacturer guidelines for the installation of buttstocks, buffer tubes, and other components.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limit for accessories mounted on the chassis.
- Ensure that the folding stock adapter is properly secured before use.
- Avoid using the chassis system in extreme weather conditions that could affect performance or safety.
- Always use eye and ear protection when firing your rifle.
- Be aware of your surroundings and ensure a safe shooting environment before using your firearm.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System

- Remove the existing stock from your Savage rifle.
- Align the rifle action with the MDT LSS Gen 2 chassis.
- Secure the action to the chassis using the provided screws and tools.
- Install the castle nut and pistol grip as per the manufacturer's instructions.
- Attach the AR carbinestyle buttstock and buffer tube.

### 2. Folding Stock Adapter

- If using the folding stock adapter, ensure it is installed according to the manufacturer's guidelines.
- Test the folding mechanism to ensure it operates smoothly and securely locks in place.

### 3. Using AICStyle Detachable Magazines

- Insert the magazine into the chassis until you hear a click, indicating it is locked in place.
- To remove the magazine, press the release button and pull the magazine out.

### 4. General Usage Tips

- Always check that the rifle is unloaded before handling.
- Practice proper shooting stance and technique for accuracy and safety.
- Clean and maintain the chassis system regularly to ensure optimal performance.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- For the chassis system, consult local waste management guidelines for disposal of aluminum materials.
- If the chassis system is no longer usable, consider recycling it at a designated facility.

## **Contact Information for Further Support**

For any questions regarding the MDT LSS Gen 2 Chassis System or safety concerns, please reach out to the manufacturer or your point of purchase for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Thank you for your attention to safety.
