

LSS Gen 2 Chassis System Savage 110, 111, 112, 116 LA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

MDT LSS Gen 2 Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Savage rifle. This manual provides important safety instructions and guidelines to ensure safe and proper use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and treat them as if they are loaded.
- Store the chassis and any attached firearms in a secure location away from children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or injury.
- Use of incompatible components can result in unsafe operation.
- Failure to secure the chassis properly may cause accidents.

- **Avoiding Hazards:**

- Always ensure that the chassis is compatible with your specific rifle model (Savage 110, 111, 112, 116).
- Use only recommended accessories, such as AR carbinestyle buttstocks and buffer tubes.
- Ensure that all screws and fasteners are tightened securely before use.
- Do not attempt to modify or alter the chassis in any way.

- **Age and Audience Specific Warnings:**

- This product is intended for use by adults only. Keep out of reach of children.
- Ensure that all users have received proper training in firearm safety.

Instructions for Installation and Usage

1. Installation:

- Remove the existing stock from your Savage rifle.
- Ensure the rifle is unloaded and pointed in a safe direction.
- Attach the MDT LSS Gen 2 Chassis System to the rifle using the provided mounting hardware.
- Securely fasten all screws and components.
- Install the AR carbinestyle buttstock and buffer tube according to the manufacturer's instructions.
- Attach the castle nut and pistol grip as needed.

2. Usage:

- Always perform a safety check on your rifle after installation.
- Familiarize yourself with the chassis and its features before use.
- Use AICStype detachable magazines as specified.
- Practice safe handling and shooting techniques at all times.
- If you experience any issues during use, cease operation immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the chassis and any associated components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's customer support resources. Ensure that you have your product information available when seeking assistance.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are of utmost importance.
