

# LSS Gen 2 Chassis System Savage 110, 111, 112, 116 LA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

# Safety Instruction Guide for MDT LSS Gen 2 Chassis System Savage

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Savage 110, 111, 112, and 116 rifles. This guide provides essential safety instructions to ensure the safe and effective use of your chassis system. It is important to read and understand these guidelines before installation and use.

## General Safety Guidelines

- Always follow all local laws and regulations regarding firearm modifications and usage.
- Ensure that the chassis system is compatible with your specific rifle model.
- Inspect the chassis system for any damage or defects before installation.
- Make sure to use only compatible components, such as AR carbinestyle buttstocks and buffer tubes.
- Keep the chassis system and all components out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation can lead to malfunction or unsafe operation.
- Using incompatible components may result in damage or injury.
- Failure to secure the chassis properly can lead to accidents.

### • Instructions for Avoiding Hazards:

- Ensure that all components are installed according to the manufacturer's specifications.
- Regularly check the integrity of the chassis system and all connections.
- Never attempt to modify the chassis system beyond its intended use.
- Use the chassis in a safe environment, away from distractions and hazards.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components.
- Ensure you are in a clean, welllit area to work.

### 2. Installation Steps:

- Remove the factory stock from your rifle.
- Attach the MDT LSS Gen 2 Chassis System to the action of your rifle.
- Secure the chassis using the provided screws and tools.
- Install the AR carbinestyle buttstock and buffer tube according to their instructions.
- Attach the castle nut and pistol grip as needed.

### 3. Usage Instructions:

- Before using the rifle, ensure it is unloaded and safe.
- Familiarize yourself with the operation of the chassis system.

- Always wear appropriate safety gear, including eye and ear protection, when using the rifle.
- Regularly clean and maintain the chassis system to ensure optimal performance.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the chassis system is damaged beyond repair, consult local regulations for safe disposal methods.
- Do not dispose of the chassis system in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries or assistance regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's support resources or website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Thank you for your attention to safety.
