

LSS Gen 2 Chassis System Savage Axis LA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines, MDT 3.560" long magazines for Axis LA. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT. Original recoil lug required.

MDT LSS Gen 2 Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Savage Axis LA rifle. This guide provides essential safety information and instructions to ensure the safe and effective use of your chassis system. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that all components are compatible with your firearm.
- Always handle firearms with care and follow standard safety practices.
- Keep the chassis system and all related components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Use only AICStyle detachable magazines and MDT 3.560" long magazines designed for the Savage Axis LA.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installation or maintenance of the chassis system.
- Do not modify the chassis system or any of its components beyond the manufacturer's specifications.
- Use the original recoil lug as specified to prevent potential accidents.
- When using the folding stock adapter, ensure it is securely locked in place before use.
- Wear appropriate safety gear, including eye and ear protection, when handling or firing your firearm.

Instructions for Installation and Usage

1. Installation of the Chassis System:

- Ensure the firearm is unloaded.
- Remove the original stock from your Savage Axis LA rifle.
- Attach the MDT LSS Gen 2 Chassis System by aligning it with the receiver and securing it with the provided screws.
- Install the original recoil lug in the designated area of the chassis.
- Attach the AR carbinestyle buttstock and buffer tube as per the manufacturer's instructions.
- Ensure that the castle nut and pistol grip are also installed securely.

2. Usage Instructions:

- Before firing, check that all components are securely attached and functioning correctly.
- Load only AICStyle detachable magazines designed for your chassis system.
- Ensure that the folding stock adapter is properly secured if in use.
- Always follow the manufacturer's instructions for your specific firearm model when operating the chassis system.

Disposal Instructions

- Dispose of the chassis system and any related components in accordance with local regulations.
- Do not dispose of any firearm components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's website or contact your local dealer for assistance.
