

# LSS Gen 2 Chassis System Savage Axis LA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines, MDT 3.560" long magazines for Axis LA. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT. Original recoil lug required.

# Safety Instruction Guide for MDT LSS Gen 2 Chassis System Savage

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Savage Axis LA rifle. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read and understand all sections before using the chassis system.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of the MDT LSS Gen 2 Chassis System. This product is designed to meet safety standards, but improper use may lead to injury.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Check the EU's Safety Gate platform for updates.
- **Online Shopping Protections:** If purchased online, ensure the retailer complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please consult the relevant EUbased authority.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates on product safety.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read this manual fully before use.
- **Inspect Before Use:** Check the chassis system for any damage or defects before installation.
- **Use Appropriate Components:** Ensure that you use compatible buttstocks, buffer tubes, and other components as specified.
- **Original Recoil Lug:** Always use the original recoil lug when installing the chassis system.
- **Secure Installation:** Ensure all components are securely fastened to prevent accidents.
- **Avoid Modifications:** Do not modify the chassis system or its components, as this may compromise safety and performance.
- **Proper Handling:** Always handle the chassis system with care, especially when it is attached to a rifle.
- **Store Safely:** When not in use, store the chassis system in a secure location away from children and unauthorized users.

## Instructions for Installation and Usage

### 1. Gather Required Tools and Components:

- MDT LSS Gen 2 Chassis System
- Compatible AR carbinestyle buttstock
- Buffer tube
- Castle nut
- Pistol grip
- Original recoil lug
- Screwdriver and wrench

### 2. Installation Steps:

- **Remove the Existing Stock:** If applicable, detach the existing stock from your Savage Axis LA rifle.
- **Install the Recoil Lug:** Secure the original recoil lug in its designated position on the chassis.

- **Attach the Chassis:** Align the chassis with the rifle's action and secure it using the appropriate screws.
- **Install the Buffer Tube:** Attach the buffer tube to the chassis, ensuring it is tightened properly.
- **Attach the Buttstock:** Connect your compatible buttstock to the buffer tube and secure it with the castle nut.
- **Install the Pistol Grip:** Attach the pistol grip to the chassis, ensuring it is firmly in place.
- **Final Inspection:** Doublecheck all connections and ensure the chassis system is securely installed.

### 3. Usage Guidelines:

- Use only AICStyle detachable magazines and MDT 3.560" long magazines for optimal performance.
- Ensure proper handling and transport of the rifle equipped with the chassis system.
- Always follow local laws and regulations regarding firearms and accessories.

## Disposal Instructions

- **Disposal of Components:** Dispose of any packaging materials and components in accordance with local waste disposal regulations.
- **Recycling:** If applicable, recycle aluminum parts and other materials in accordance with local recycling guidelines.
- **Environmental Considerations:** Do not dispose of the product in a manner that could harm the environment.

## Contact Information for Further Support

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please consult the appropriate authorities or seek professional assistance. Always prioritize safety and compliance with local regulations.

Thank you for your attention to these safety instructions. Enjoy your experience with the MDT LSS Gen 2 Chassis System!
