

# LSS Gen 2 Chassis System Mossberg MVP .223 RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. MVP .223 uses AR-15 magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

# MDT LSS Gen 2 Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Mossberg MVP .223 rifle. This guide provides essential safety instructions to ensure the safe and effective use of the chassis system. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm modifications and usage.
- Keep the chassis system out of reach of children and unauthorized users.
- Inspect the chassis system regularly for signs of wear or damage.
- Do not exceed the manufacturer's specifications regarding weight and accessories.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the chassis system.
- Use appropriate protective gear, such as safety glasses and hearing protection, when using firearms.
- Do not modify the chassis system or its components without consulting the manufacturer.
- Be cautious when using folding stock adapters; ensure they are securely locked in place before use.
- Avoid using the chassis system in wet or damp conditions to prevent corrosion and malfunction.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System

- Ensure the firearm is unloaded.
- Remove the existing stock and buffer tube from the Mossberg MVP .223.
- Attach the MDT LSS Gen 2 Chassis System by following these steps:
  - Align the chassis with the receiver.
  - Secure the chassis using the provided screws and tools.
  - Install the AR carbinestyle buttstock and buffer tube as per the manufacturer's instructions.
  - Attach the castle nut and pistol grip as needed.

### 2. Usage of the Chassis System

- Before using the chassis system, ensure all components are securely attached.
- Adjust the buttstock to fit your shoulder comfortably and securely.
- Familiarize yourself with the controls and features of the chassis system.
- Practice safe handling and shooting techniques at all times.

## Disposal Instructions

- Dispose of the chassis system in accordance with local regulations for metal and firearm components.
- Do not dispose of the chassis system in regular household waste.
- If the chassis system is damaged beyond repair, contact your local waste management authority for guidance on proper disposal.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the MDT LSS Gen 2 Chassis System, please contact the manufacturer or your authorized dealer. It is essential to have a reliable point of contact for any safety concerns or questions.

## **Conclusion**

The MDT LSS Gen 2 Chassis System is designed to enhance your shooting experience while prioritizing safety. By following the guidelines and instructions provided in this manual, you can ensure a secure and enjoyable experience with your firearm. Always remember to prioritize safety and compliance with applicable laws and regulations.
