

LSS Gen 2 Chassis System Mossberg - MDT Chassis - LSS Gen2 - Mossberg MVP - .308 - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. MVP .308 uses AR-10 magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

Safety Instruction Guide for MDT LSS Gen 2 Chassis System

Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Mossberg MVP .308 rifle. This guide provides important safety instructions and guidelines to ensure the safe use and handling of your chassis system. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only by individuals who are familiar with firearms and firearm safety.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store the chassis system and associated firearms securely and out of reach of children and unauthorized users.
- Regularly inspect the chassis and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Report any incidents or unsafe products to the appropriate authorities.

Specific Safety Precautions for Use

- The chassis system is designed for use with the Mossberg MVP .308 rifle. Do not use it with other firearms.
- Ensure that the chassis is properly fitted before use.
- Always use AR10 magazines when using the MVP .308 with this chassis.
- Do not modify the chassis system in any way that could compromise its safety or functionality.
- When using the folding stock adapter, ensure it is securely locked in place before firing.
- Be cautious of the weight and balance of the rifle when using this chassis, especially with short barreled configurations.
- Use protective eyewear and hearing protection when firing the rifle.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock and buffer tube from the Mossberg MVP .308.
- Attach the MDT LSS Gen 2 Chassis to the rifle according to the manufacturer's instructions.
- Install the AR carbinestyle buttstock and buffer tube, ensuring they are securely fastened.
- Install the castle nut and pistol grip as required.
- If using the folding stock adapter, attach it securely before use.

2. Usage:

- Before firing, doublecheck that the rifle is properly assembled and that all components are securely attached.
- Practice proper shooting stance and grip while using the rifle.
- Always follow safe shooting practices and be aware of your surroundings.

Disposal Instructions

- Dispose of the MDT LSS Gen 2 Chassis System in accordance with local regulations regarding the disposal of firearms components and materials.
- Do not discard the chassis in regular household waste.
- If the product is damaged or no longer in use, consider recycling or contacting a local firearms dealer for proper disposal methods.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe conditions, please refer to the appropriate contact channels provided by the manufacturer or local authorities.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Thank you for your attention to safety.
