

# **LSS Gen 2 Chassis System Mossberg - MDT Chassis - LSS Gen2 - Mossberg Patriot - SA - RH - BLK**

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

# MDT LSS Gen 2 Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Mossberg Patriot rifle. This guide provides important safety information and instructions for the proper use and care of your chassis system. Please read this guide carefully to ensure safe operation and maintenance.

## General Safety Guidelines

- Always treat your firearm with respect and handle it as if it is loaded.
- Ensure that you are familiar with the operation of your rifle and chassis system before use.
- Keep the chassis system and all accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear, damage, or malfunction.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Always wear appropriate safety gear, including eye and ear protection, when using your firearm.
- Be aware of your surroundings and ensure that you have a safe backdrop when shooting.

## Specific Safety Precautions for Use

- Ensure that the chassis is securely attached to your rifle before use.
- Use only AICStype detachable magazines that are compatible with your chassis system.
- Do not exceed the manufacturer's recommended weight limit for the chassis system.
- Avoid using the chassis system in harsh environmental conditions that may compromise its structural integrity.
- Always ensure that the firearm is in a safe condition before installing or removing the chassis.
- Do not modify the chassis system or its components in any way that may compromise safety.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Workspace:** Ensure that you are working in a clean, welllit area free from distractions.
2. **Check Your Equipment:** Ensure that you have all necessary tools and components, including the chassis system, castle nut, pistol grip, and any additional accessories.
3. **Remove the Existing Stock:** Safely unload your firearm and remove the existing stock according to the manufacturer's instructions.
4. **Attach the Chassis:**
  - Align the chassis with the receiver of your rifle.
  - Securely fasten the castle nut and install the pistol grip as per the manufacturer's guidelines.
5. **Install the Folding Stock Adapter (if applicable):** Follow the manufacturer's instructions for installing the folding stock adapter, ensuring all components are properly secured.
6. **Check Compatibility:** Ensure that the chassis is compatible with the AICStype magazines you intend to use.

### Usage

- Before using the chassis system, ensure that it is properly installed and securely attached to your rifle.
- Familiarize yourself with the adjustments available on the chassis, including the buttstock position and cheek riser.
- When using the chassis system, maintain a firm grip and ensure proper stance to enhance stability and accuracy.
- Always perform a function check of your rifle after installation and before live fire.

## Disposal Instructions

- When disposing of the chassis system or any of its components, follow local regulations for the disposal of metal and firearm accessories.
- If the chassis system is damaged beyond repair, ensure that it is rendered unusable before disposal to prevent misuse.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the MDT LSS Gen 2 Chassis System, please consult the manufacturer's official website or customer support resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Thank you for your attention to safety and responsible firearm ownership.
