

LSS Gen 2 Chassis System Mossberg - MDT Chassis - LSS Gen2 - Mossberg Patriot - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

MDT LSS Gen 2 Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Mossberg Patriot rifle. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully before installation and use to ensure safe operation.

General Safety Guidelines

- Always treat the chassis system and firearm as if they are loaded.
- Keep the chassis system out of the reach of children and unauthorized users.
- Ensure that the area around you is clear of obstructions and people before handling the firearm.
- Always wear appropriate eye and ear protection when using firearms.
- Do not modify the chassis system or any of its components.
- Follow all local laws and regulations regarding firearm use and storage.

Specific Safety Precautions for Use

- Ensure that the chassis is compatible with your Mossberg Patriot model.
- Inspect the chassis system before each use for any signs of damage or wear.
- Use only AICStype detachable magazines as specified for this chassis.
- Always secure the folding stock in the locked position when not in use.
- Avoid using the chassis system in adverse weather conditions that may affect performance.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have all necessary components: chassis, castle nut, and pistol grip.
- Remove the existing stock from your Mossberg Patriot rifle.
- Attach the MDT LSS Gen 2 Chassis System to the rifle using the provided mounting hardware.
- Secure the castle nut and install the pistol grip according to the manufacturer's instructions.
- If using a folding stock adapter, install it as per the specific instructions provided with the adapter.

2. Usage:

- Before loading your firearm, ensure that the safety is engaged.
- Load only AICStype detachable magazines into the chassis system.
- Adjust the buttstock to your preferred length of pull for comfort and control.
- When ready to shoot, ensure that your target is safe and that your shooting area is clear.
- After use, always clean and inspect the chassis system and firearm.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the chassis system reaches the end of its life, dispose of it responsibly by taking it to a designated recycling facility for metal products.
- Ensure that any firearm components are disposed of in compliance with local laws.

Contact Information for Further Support

For any safety inquiries or support regarding the MDT LSS Gen 2 Chassis System, please reach out to your local retailer or the manufacturer directly. Ensure to have your product details handy for efficient assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Always prioritize safety and responsible firearm handling practices.
