

# LSS Gen 2 Chassis System Mossberg Patriot LA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

# Safety Instruction Guide for MDT LSS Gen 2 Chassis System

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Mossberg Patriot LA RH Black rifle. This guide provides essential safety instructions and guidelines to ensure safe usage, installation, and disposal of the product. Please read this guide carefully before using the chassis system to ensure a safe experience.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Do not modify the chassis system in any way that could compromise safety.
- In case of any malfunction or damage, cease use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction when installing or adjusting the chassis system.
- Use only compatible AR carbinestyle buttstocks and buffer tubes as specified in the product description.
- Make sure the folding stock adapter is securely attached before use.
- Use AICStyle detachable magazines only, as other types may not fit properly or could cause malfunction.
- Be cautious when handling the chassis system and firearm to avoid pinching or injury.
- Wear appropriate safety gear, such as eye and ear protection, when using the firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and components, including the chassis system, buttstock, buffer tube, castle nut, and pistol grip.

### 2. Installation

- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Attach the MDT LSS Gen 2 Chassis System to the firearm following these steps:
  - Align the chassis with the receiver and ensure it fits snugly.
  - Securely fasten the castle nut to hold the buffer tube in place.
  - Attach the AR carbinestyle buttstock and ensure it is locked in position.
  - Install the pistol grip and ensure it is securely fastened.
- Check for any loose components and tighten as necessary.

### 3. Usage

- Load the AICStyle detachable magazine into the chassis system.
- Ensure that the folding stock adapter is in the locked position before use.
- Always follow safe firearm handling practices while using the chassis system.

## **Disposal Instructions**

- Dispose of the chassis system in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the MDT LSS Gen 2 Chassis System, please refer to the appropriate EU-based contact point or support resources available to you.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Always prioritize safety and consult with professionals if you have any doubts or questions regarding the product. Thank you for your attention to these important guidelines.
