

# LSS Gen 2 Chassis System Mossberg Patriot LA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

# MDT LSS Gen 2 Chassis System Safety Instructions

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Mossberg Patriot LA RH FDE rifle. This guide provides essential safety instructions, installation guidance, and usage tips to ensure you enjoy your product safely and effectively. Please read this manual carefully before using the chassis system.

## General Safety Guidelines

- Ensure that the product is used in accordance with local laws and regulations.
- Always handle firearms and related accessories with care and responsibility.
- Keep the chassis system out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Follow all manufacturer instructions for installation and usage to avoid accidents.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the chassis.
- Use only AICStype detachable magazines as specified by the manufacturer.
- Ensure that the castle nut and pistol grip are securely fastened before use.
- Do not modify the chassis system in any way that could compromise its integrity or safety.
- When using the folding stock adapter, ensure it is properly locked in place before firing.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure that your workspace is clean and free from distractions.
2. **Unload Firearm:** Confirm that your firearm is completely unloaded.
3. **Attach Chassis:**
  - Remove the original stock from your Mossberg Patriot.
  - Align the MDT LSS Gen 2 Chassis with the rifle's action.
  - Securely fasten the chassis using the provided screws and tools.
4. **Install Pistol Grip:** Attach the pistol grip to the chassis, ensuring it is tightly secured.
5. **Install Castle Nut:** Screw the castle nut onto the buffer tube and tighten securely.
6. **Attach Buttstock:** Connect the AR carbinestyle buttstock to the buffer tube.
7. **Check Stability:** Ensure that all components are securely attached and there is no movement.

### Usage

- Before each use, doublecheck that the firearm is unloaded and that the chassis is properly installed.
- When firing, maintain a firm grip on the chassis and ensure that your stance is stable.
- Follow proper shooting techniques and safety practices at all times.

## Disposal Instructions

- Dispose of the chassis system in accordance with local regulations regarding electronic waste and metal recycling.
- Do not dispose of the chassis in regular household waste.
- If you are unsure about disposal methods, consult your local waste management authority for guidance.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please consult the product packaging or your retailer for the appropriate contact information.

Remember to stay informed about any product recalls or safety alerts through the EU's Safety Gate platform. Your safety is our priority, and we appreciate your commitment to responsible firearm ownership.
