

# LSS Gen 2 Chassis System Ruger - MDT Chassis - LSS Gen2 - Ruger American - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. 223/5.56 American must use Ruger factory magazine. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

# MDT LSS Gen 2 Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Ruger American rifle. This guide provides important safety information and instructions to ensure the safe use and maintenance of your chassis system. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the chassis system is compatible with your rifle model before installation.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the chassis system out of reach of children and vulnerable individuals.
- Regularly inspect the chassis system for any signs of wear or damage.
- Use only approved accessories and components with the chassis system.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Use caution when handling the chassis system and firearm to prevent accidental discharge.
- Do not exceed the weight limit specified by the manufacturer for accessories.
- Ensure that the folding stock adapter is securely locked before use.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System

- Ensure that the firearm is unloaded.
- Remove the factory stock from the Ruger American rifle.
- Align the chassis system with the action of the rifle.
- Secure the chassis to the rifle using the provided screws and tools.
- Install the AR carbinestyle buttstock and buffer tube as per the manufacturer's instructions.
- Attach the castle nut and pistol grip to complete the installation.

### 2. Usage of the Chassis System

- Before use, ensure that the firearm is properly assembled and secure.
- Adjust the buttstock to fit your shoulder length for optimal comfort.
- Use AICStyle detachable magazines as specified.
- For .223/5.56 caliber, ensure you are using a Ruger factory magazine.
- Always follow safe shooting practices and local laws regarding firearm usage.

## Disposal Instructions

- Dispose of the chassis system in accordance with local regulations.
- If the chassis system is damaged beyond repair, contact your local waste management facility for proper disposal methods.
- Do not dispose of the chassis system in regular household waste.

## **Contact Information for Further Support**
