## Safety Instruction Guide

### Introduction

Thank you for purchasing the MDT LSSXL Gen 2 Carbine Stock Chassis System for the CZ 527 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your chassis system. It is important to read and understand these guidelines before installation and usage.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and their components with care and respect.
- Keep the chassis system and all firearm components out of reach of children and unauthorized persons.
- Regularly inspect the chassis system for any signs of wear or damage. If any issues are found, cease use immediately and seek professional assistance.
- Be aware of your local laws and regulations regarding firearm modifications and use.
- Report any unsafe products or accidents to the appropriate authorities.

### Specific Safety Precautions for Use

- Use only compatible AR carbinestyle buttstocks and buffer tubes with the LSSXL Gen 2 chassis.
- Ensure that the castle nut and pistol grip are securely installed before use.
- Do not exceed the manufacturer's specifications for weight and dimensions when attaching accessories to the chassis.
- Always wear appropriate eye and ear protection when using firearms.
- Never point the firearm at anything you do not intend to shoot.
- Ensure the firearm is unloaded before installing or removing the chassis system.

### Instructions for Installation and Usage

#### Installation Instructions

##### 1. Prepare Your Workspace:

- Choose a clean, dry, and welllit area for installation.
- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.

##### 2. Remove the Existing Stock:

- Ensure the firearm is unloaded.
- Carefully detach the existing stock from the CZ 527 rifle.

##### 3. Install the MDT LSSXL Gen 2 Chassis:

- Align the chassis with the rifle receiver.
- Securely fasten the chassis using the provided screws, following the torque specifications outlined in the product manual.
- Attach the castle nut and ensure it is tightened according to specifications.

##### 4. Attach the Buttstock and Pistol Grip:

- Install the AR carbinestyle buttstock and buffer tube.
- Secure the pistol grip, ensuring it is firmly attached.

## **5. Final Inspection:**

- Doublecheck all connections and ensure everything is securely fastened.
- Conduct a function check of the firearm to ensure proper operation.

## **Usage Instructions**

- Familiarize yourself with the operation of the chassis system before using the firearm.
- Always follow safe shooting practices and guidelines.
- Maintain the chassis system by cleaning and lubricating it as needed to ensure optimal performance.

## **Disposal Instructions**

- Dispose of the chassis system in accordance with local regulations.
- If the chassis is damaged beyond repair, contact a local waste disposal service for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support related to the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the manufacturer's contact resources. Ensure you have your product information ready for assistance.

Thank you for prioritizing safety and responsible usage. Enjoy your shooting experience with the MDT LSSXL Gen 2 Carbine Stock Chassis System.
