MDT LSSXL Gen 2 Fixed Stock Chassis System

Safety Instructions

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Fixed Stock Chassis System for your Remington 700 rifle. This chassis system is designed to enhance your shooting experience while ensuring safety during use. Please read these safety instructions carefully to ensure proper handling, installation, and maintenance of your product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that your shooting area is safe and free from obstructions.
- Keep firearms pointed in a safe direction at all times.
- Store the chassis and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis for wear or damage before use.
- Use only AICStype detachable magazines as specified.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- Ensure that the chassis is compatible with the Remington 700 model.
- Use only AR riflestyle fixed buttstocks and buffer tubes as recommended.
- Always use a pistol grip with the chassis for proper handling.
- Do not modify the chassis or its components in any way.
- Avoid using the chassis in extreme weather conditions that may affect performance.
- Be aware of the weight and balance of the firearm after installation to maintain control.
- Use appropriate eye and ear protection while shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700.
- Align the MDT LSSXL Gen 2 chassis with the receiver of the firearm.
- Secure the chassis to the receiver using the provided screws and tools.
- Attach the ARstyle fixed buttstock and buffer tube as per the manufacturer's instructions.
- Install the pistol grip securely.
- Confirm that all components are tightly fastened and functioning properly.

2. Usage:

- Before shooting, ensure the firearm is loaded correctly with the AICStype detachable magazine.
- Check that the chassis is stable and secure before taking aim.
- Maintain control of the firearm at all times, especially when firing.
- After use, remove the magazine and ensure the firearm is unloaded before disassembling the chassis.

Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.

- Contact your local waste management facility for information on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSSXL Gen 2 Fixed Stock Chassis System, please refer to the manufacturer's website or customer service for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT LSSXL Gen 2 Fixed Stock Chassis System. Always prioritize safety and remain informed about best practices for firearm handling and maintenance. Thank you for your attention to these important safety guidelines.
