# MDT LSSXL Gen 2 Fixed Stock Chassis System Safety Instructions

## Introduction

Thank you for choosing the MDT LSSXL Gen 2 Fixed Stock Chassis System for your Remington 700. This guide provides important safety information and instructions for the proper use and maintenance of your chassis system. Please read this guide carefully to ensure safe and effective operation.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a chassis system for the Remington 700.
- Always treat firearms and firearm accessories with care and respect.
- Keep the chassis system out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before each use.
- Store the chassis system in a safe and secure location when not in use.
- Follow all local laws and regulations regarding firearm usage and modifications.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the chassis system.
- Ensure that the firearm is unloaded before attaching or detaching the chassis system.
- Avoid using the chassis system in wet or damp conditions to prevent corrosion and damage.
- Do not exceed the manufacturer's specifications for weight and accessories attached to the chassis system.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare Your Workspace

- Ensure that you are working in a clean, dry, and welllit area.
- Gather all necessary tools and components before starting the installation.

#### 2. Remove the Existing Stock

- Ensure that the firearm is unloaded.
- Use the appropriate tools to remove the existing stock from the Remington 700.

#### 3. Attach the MDT LSSXL Gen 2 Chassis

- Align the chassis with the action of the Remington 700.
- Secure the chassis in place using the screws provided, ensuring they are tightened to the manufacturer's specifications.

#### 4. Install the Fixed Buttstock and Pistol Grip

- Attach the AR riflestyle fixed buttstock to the chassis.
- Install the pistol grip according to the manufacturer's instructions.

#### 5. Check for Stability

- Once installed, check that the chassis system is securely attached and stable.
- Ensure there are no loose components before proceeding.

## Usage

- Always ensure that the firearm is pointed in a safe direction when handling.
- Familiarize yourself with the feel and balance of your firearm with the new chassis system.
- Regularly check the integrity of the chassis system during use, especially after extended shooting sessions.

## Disposal Instructions

- Dispose of the chassis system in accordance with local regulations regarding the disposal of metal and firearm components.
- If the chassis system is damaged beyond repair, consult local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the MDT LSSXL Gen 2 Fixed Stock Chassis System, please refer to the official MDT website or consult your local dealer for assistance.

## Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your MDT LSSXL Gen 2 Fixed Stock Chassis System. Always prioritize safety and responsible firearm handling practices. Thank you for your attention to these important matters.
