MDT LSSXL Gen 2 Fixed Stock Chassis System

Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Fixed Stock Chassis System for your Howa 1500 or Weatherby Vanguard rifle. This guide provides essential safety instructions and information to ensure the safe and effective use of your chassis system. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the chassis system is installed correctly to prevent any misalignment or malfunction.
- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep the chassis system and all firearms out of reach of children and unauthorized users.
- Use the chassis system only for its intended purpose and in accordance with the manufacturer's instructions.
- Regularly inspect the chassis system for signs of wear or damage, and do not use it if any issues are found.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to firearm malfunction.
- Use of incompatible magazines could cause feeding issues or jams.
- Failure to secure the chassis correctly may result in loss of control during firing.

- **Instructions for Avoiding Hazards:**

- Always ensure that the chassis is securely attached to the rifle before use.
- Only use AICStyle detachable magazines compatible with the Howa 1500 SA chassis.
- Verify that the buttstock and pistol grip are properly installed and tightened before handling the firearm.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that inexperienced users are educated on safe firearm handling practices.

Instructions for Installation and Usage

1. Installation:

- Remove the existing stock from your Howa 1500 or Weatherby Vanguard rifle.
- Align the chassis system with the rifle's action and ensure it fits snugly.
- Secure the chassis using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Attach the fixed buttstock and buffer tube, making sure they are firmly in place.
- Install a compatible pistol grip, ensuring it is securely attached.

2. Usage:

- Before each use, check that all components are secure and functioning properly.
- Load only AICStype detachable magazines designed for the Howa 1500 SA chassis.
- Maintain a safe shooting distance and ensure the area is clear of obstructions and bystanders.
- After use, clean and inspect the chassis system to maintain its condition.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations regarding metal and firearm components.
- Do not dispose of the chassis in regular household waste.
- Consider recycling options for metal parts to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSSXL Gen 2 Fixed Stock Chassis System, please refer to the manufacturer's website or customer service resources for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT LSSXL Gen 2 Fixed Stock Chassis System. Thank you for your attention to safety and responsible firearm handling.
