# MDT LSSXL Gen 2 Fixed Stock Chassis System

## Safety Instructions

### Introduction

Thank you for choosing the MDT LSSXL Gen 2 Fixed Stock Chassis System for your Howa 1500 or Weatherby Vanguard rifle. This guide provides essential safety instructions and usage guidelines to ensure safe and effective operation of your chassis system. Please read this manual thoroughly before use.

### General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Ensure that the chassis system is compatible with your specific rifle model.
- Keep the chassis system and all associated components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Store the chassis system in a secure location when not in use.

### Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the chassis system.
- Use only AICStype detachable magazines that are compatible with this chassis.
- Verify that the buttstock and pistol grip are properly installed and secured before use.
- Avoid using the chassis system in adverse weather conditions that could affect performance.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Use proper eye and ear protection when operating your firearm.

### Instructions for Installation and Usage

#### 1. Installation of the Chassis System

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the rifle according to the manufacturer's instructions.
- Align the rifle action with the chassis system.
- Secure the action to the chassis using the provided hardware, ensuring all screws are tightened to the manufacturer's specifications.
- Install the fixed buttstock and buffer tube as per the installation instructions.
- Attach the pistol grip, ensuring it is firmly secured.

#### 2. Usage of the Chassis System

- Once installed, check the rifle for proper function and fit.
- Load the AICStype magazine and insert it into the chassis.
- Ensure that the buttstock is adjusted to your preferred length of pull.
- Aim the rifle safely and prepare to fire, following all safety protocols.

### Disposal Instructions

- When disposing of the chassis system, ensure that it is rendered inoperable.
- Follow local regulations for the disposal of metal and firearm components.
- Do not dispose of the chassis system in regular household waste.
