

# XRS Complete Chassis System Remington - MDT Chassis - XRS - Remington 700 - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

XRS is not just a chassis, it is a complete stock with nothing else to buy, except AICS -type magazine(s) for your action and caliber. No AR parts needed. A more traditional stock design, but still adjustable with included spacers and grip panels. Drop-in, no bedding needed.

# Safety Instruction Guide for MDT XRS Complete Chassis System

## Introduction

Thank you for choosing the MDT XRS Complete Chassis System for your Remington 700. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the chassis system for any signs of damage or wear before use.
- Keep the product out of reach of children and unauthorized users.
- Use only compatible AICStype magazines for your action and caliber.
- Do not modify the chassis system in any way; alterations can compromise safety and performance.
- Be aware of your surroundings when handling firearms and ensure that the area is safe and secure.

## Specific Safety Precautions for Use

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Ensure that the safety mechanism of the firearm is engaged when not in use.
- Always point the firearm in a safe direction.
- Wear appropriate safety gear, including eye protection, when handling the firearm.
- Do not engage in horseplay or distractions while handling the firearm.
- Be mindful of the recoil when firing; ensure a firm grip on the chassis system.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Product:** Carefully remove the MDT XRS Complete Chassis System from its packaging. Inspect for any visible damage.
2. **Prepare Your Firearm:** Ensure that your Remington 700 is unloaded and free of ammunition.
3. **Remove the Existing Stock:** Follow the manufacturer's instructions to detach the existing stock from your firearm.
4. **Attach the Chassis:** Align the MDT XRS chassis with the action of your firearm. Secure it using the provided screws, ensuring a tight fit without overtorquing.
5. **Install the AICStype Magazine:** Insert the compatible magazine into the chassis, ensuring it is seated properly.

### Usage

- Adjust the spacers and grip panels to fit your preference for comfort and control.
- Always check the fit of the magazine before firing.
- Regularly inspect the chassis system for any signs of wear or damage during use.
- Clean the chassis system regularly to maintain optimal performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- Ensure that all components are disposed of properly to prevent environmental harm.
- If unsure about disposal methods, consult local waste management authorities for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT XRS Complete Chassis System, please contact the manufacturer's customer support team through the provided channels. It is important to have the product details ready for efficient assistance.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT XRS Complete Chassis System. Thank you for your attention to safety and responsible firearm handling.
