

# XRS Complete Chassis System Remington - MDT Chassis - XRS - Remington Model 783 - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

XRS is not just a chassis, it is a complete stock with nothing else to buy, except AICS -type magazine(s) for your action and caliber. No AR parts needed. A more traditional stock design, but still adjustable with included spacers and grip panels. Drop-in, no bedding needed. Forend comes with M-LOK slots and ARCA / picatinny rails.

# MDT XRS Complete Chassis System Safety Instructions

## Introduction

Thank you for choosing the MDT XRS Complete Chassis System for your Remington Model 783. This guide provides essential safety instructions to ensure the safe and effective use of your chassis system. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always ensure you are using the chassis system in a safe environment.
- Keep the chassis system out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear, damage, or malfunction.
- Follow all local laws and regulations regarding firearm use and safety.
- Store the chassis system in a secure location when not in use.
- If you experience any issues or have concerns about safety, seek professional assistance immediately.

## Specific Safety Precautions for Use

- **Firearm Compatibility:** Ensure that your Remington Model 783 is compatible with the MDT XRS chassis system.
- **AICS Magazine Use:** Only use AICS type magazines that are compatible with your action and caliber.
- **Proper Handling:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
- **Adjustment Caution:** When adjusting the chassis, ensure that all components are securely fastened to avoid accidental disassembly.
- **Environmental Awareness:** Be mindful of your surroundings and ensure that you are in a safe area when using the chassis system.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Chassis:** Carefully remove the chassis from its packaging. Inspect for any damage during shipping.
2. **Assembly:**
  - Align your Remington Model 783 with the chassis.
  - Insert the action into the chassis, ensuring it fits snugly.
  - Secure the action with the provided screws, ensuring they are tightened adequately.
3. **Attach Forend:**
  - Install the forend onto the chassis.
  - Ensure that MLOK slots and ARCA/picatinny rails are positioned correctly for your accessories.
4. **Adjustments:**
  - Use the included spacers and grip panels to adjust the stock to your preference.
  - Ensure all adjustments are securely fastened before use.

### Usage

- Once installed, ensure that the chassis system is functioning correctly before taking it to the range.
- Always perform a safety check on your firearm before and after each use.
- Familiarize yourself with the adjustments available on the chassis to optimize your shooting experience.

## **Disposal Instructions**

- Dispose of the chassis system in accordance with local regulations.
- If the chassis is damaged beyond repair, ensure that it is not usable before disposal.
- Recycle materials where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT XRS Complete Chassis System, please refer to the manufacturer's website or customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT XRS Complete Chassis System. Thank you for prioritizing safety in your firearm practices.
