

# XRS Complete Chassis System Remington - MDT Chassis - XRS - Remington Model 783 - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

XRS is not just a chassis, it is a complete stock with nothing else to buy, except AICS -type magazine(s) for your action and caliber. No AR parts needed. A more traditional stock design, but still adjustable with included spacers and grip panels. Drop-in, no bedding needed.

# MDT XRS Complete Chassis System Safety Instructions

## Introduction

Thank you for choosing the MDT XRS Complete Chassis System for your Remington Model 783. This guide provides essential safety instructions to ensure the safe and effective use of your chassis. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that all users read and understand these safety guidelines.
- Always handle firearms and firearm components with care and respect.
- Store the chassis and any associated equipment in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Use only AICStype magazines compatible with your action and caliber.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to malfunction or injury.
  - Use of incompatible parts can compromise safety and performance.
  - Failure to secure the chassis properly can result in accidents.
- **Avoiding Hazards:**
  - Always ensure the firearm is unloaded before installation.
  - Use appropriate tools and follow installation instructions carefully.
  - Do not modify the chassis or use it in ways not intended by the manufacturer.
  - Always wear safety glasses and appropriate personal protective equipment when handling firearms.
- **AgeSpecific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.
  - Ensure that minors are educated about firearm safety and the proper handling of firearm components.

## Instructions for Installation and Usage

- **Installation Steps:**
  1. Ensure the firearm is unloaded and pointed in a safe direction.
  2. Remove the existing stock from the Remington Model 783.
  3. Align the MDT XRS chassis with the action of the firearm.
  4. Secure the chassis using the provided screws, ensuring they are tightened to the manufacturer's specifications.
  5. Adjust the spacers and grip panels to your preference for comfort and control.
  6. Insert the AICStype magazine as per the manufacturer's instructions.

- **Usage Guidelines:**

- Before each use, ensure that the chassis is securely attached to the firearm.
- Regularly check the tightness of screws and the condition of the chassis.
- Practice safe shooting habits and follow all firearm safety rules.
- Clean the chassis as needed to maintain its appearance and functionality.

## **Disposal Instructions**

- Dispose of the chassis and any associated materials in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- If the product is damaged beyond repair, consider taking it to a local recycling center that accepts metal components.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the MDT XRS Complete Chassis System, please contact your local MDT dealer or visit the MDT website for more information.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT XRS Complete Chassis System. Always prioritize safety and responsibility when handling firearms and firearm components. Thank you for your purchase and commitment to safe firearm practices.
