# MDT ESS Foreend Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ESS Foreend Chassis. This guide provides essential safety information and instructions to ensure your safe use of the product. Please read this guide carefully before using the chassis to prevent accidents and injuries.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any signs of damage before use. Do not use the chassis if it appears damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for safety updates or recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Material Caution:** The chassis is made of aluminum. Avoid exposing it to extreme temperatures or corrosive environments to prevent degradation.
- **Installation Safety:** Ensure that all components are securely fastened during installation to prevent accidental disassembly during use.
- **Handling:** Always handle the chassis with care. Avoid dropping or applying excessive force, which may result in damage.
- **Usage Environment:** Use the chassis only in appropriate settings, free from distractions and hazards.
- **Age Restrictions:** This product is intended for use by individuals aged 18 years and older. Ensure that younger individuals are supervised if they are present during use.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools before starting the installation process.
- Ensure that the workspace is clean and free from clutter.
- Follow these steps for installation:
  - Remove the existing foreend if applicable.
  - Align the MDT ESS chassis with the mounting points.
  - Secure the chassis using the provided screws and tools. Ensure all screws are tightened properly.
  - Check for stability before proceeding to use the chassis.

### 2. Usage:

- Always wear appropriate safety gear when using the chassis in conjunction with a firearm.
- Regularly check the chassis for any signs of wear or damage during use.
- If you notice any issues, cease use immediately and consult the manufacturer or a qualified professional for assistance.

## **Disposal Instructions**

- Dispose of the chassis according to local regulations.
- If the product is damaged beyond repair, ensure that it is disposed of in an environmentally friendly manner.
- Recycle any materials where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ESS Foreend Chassis, please consult the manufacturer's contact information provided with your product. Ensure that you have the product details ready for reference.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy your MDT ESS Foreend Chassis responsibly!
