# Safety Instruction Guide for MDT Skeleton Carbine Stock (SCS)

## Introduction

Thank you for choosing the MDT Skeleton Carbine Stock (SCS). This high-performance buttstock is designed for maximum versatility and strength. It features toolless adjustability and ergonomics, making it suitable for various applications. To ensure your safety and the proper use of this product, please read this guide carefully.

## General Safety Guidelines

- Always ensure you are using the product in accordance with the manufacturer's instructions.
- Inspect the product for any damage before each use. Do not use if damaged.
- Ensure that the stock is securely attached to the firearm before use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to the stock detaching during use.
- Adjusting the stock while the firearm is loaded can lead to accidental discharge.
- The cheek riser may pinch skin if not adjusted carefully.

### • Avoiding Hazards:

- Always ensure the firearm is unloaded before making any adjustments to the stock.
- Perform adjustments in a safe environment away from others.
- Use caution when adjusting the cheek riser to avoid injury.

### • Age Specific Warnings:

- This product is intended for use by individuals aged 18 and older.
- Keep the product away from children and ensure they do not have access to firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the SCS with the AR15 Carbine interface.
- Slide the stock onto the buffer tube until it clicks into place.
- Check that the stock is secure by attempting to pull it off gently.

### 2. Adjusting the Stock:

- To adjust the length of the stock, locate the adjustment lever.
- Pull the lever to release the stock and slide it to the desired length.
- Release the lever to lock the stock in place. Ensure it is securely locked before use.

### 3. Adjusting the Cheek Riser:

- To adjust the cheek riser, locate the adjustment mechanism on the side of the stock.
- Pull the mechanism to release the riser and move it to the desired height.
- Release the mechanism to lock the riser in place. Ensure it is secure before use.

#### **4. Using the Stock:**

- Always maintain a firm grip on the firearm when aiming or shooting.
- Regularly check the stock for any signs of wear or damage during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, recycle any metal components where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support, please consult the manufacturer's website or contact your local distributor. Always ensure that you have the latest information regarding safety and product recalls.

Thank you for your attention to these safety guidelines. Proper use and maintenance of your MDT Skeleton Carbine Stock will enhance your shooting experience while ensuring safety.
