# MDT Skeleton Carbine Stock Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Skeleton Carbine Stock, Lite (SCS Lite) in Flat Dark Earth (FDE). This lightweight and adjustable aluminum buttstock is designed for performance and utility. To ensure safe use and optimal performance, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always inspect the product before use for any signs of damage or wear.
- Ensure that the stock is properly installed and secured before using your firearm.
- Keep the product out of reach of children and unauthorized users.
- Use the stock only with compatible firearms as specified in the product description.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the buttstock is adjusted to the correct length of pull (LOP) for your comfort and control.
- Do not exceed the manufacturer's recommended weight limits for attachments on the M Lok slot.
- Be aware of your surroundings and ensure that your firearm is pointed in a safe direction at all times.
- Utilize the QD sling swivel sockets properly to avoid accidental detachment during use.
- Regularly check for loose screws or fittings and tighten them as needed.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Gather all necessary tools, including a screwdriver.
- Ensure that the firearm is unloaded and pointed in a safe direction.

#### 2. Removing the Old Stock

- If applicable, remove the existing stock from your firearm according to the manufacturer's instructions.

#### 3. Attaching the MDT Skeleton Carbine Stock

- Align the MDT Skeleton Carbine Stock with the attachment point on your firearm.
- Securely fasten the stock using the provided screws, ensuring that it is tightly fitted.

#### 4. Adjusting Length of Pull (LOP)

- Use the included LOP spacers to adjust the stock to your desired length.
- Ensure that the adjustments are locked in place before use.

### Usage

- When using the stock, maintain a firm grip and ensure that your firearm is stable.
- If using accessories, ensure they are compatible and securely attached to the M Lok slot.

- Always practice safe firearm handling and follow all safety protocols.

## **Disposal Instructions**

- Dispose of the MDT Skeleton Carbine Stock in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the product in household waste to ensure environmental safety.

## **Contact Information for Further Support**

For any further inquiries or support regarding the MDT Skeleton Carbine Stock, please refer to the manufacturer's contact information provided on the product packaging or website.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your MDT Skeleton Carbine Stock responsibly!
