# MDT Composite Carbine Stock Safety Instructions

## Introduction

Thank you for choosing the MDT Composite Carbine Stock. This product is designed to provide durability, lightweight performance, and ease of adjustment for your firearm needs. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the stock is installed correctly before using the firearm.
- Keep the stock and firearm out of reach of children and unauthorized persons.
- Regularly inspect the stock for any signs of wear or damage.
- Do not use the stock if it appears to be damaged or defective.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Ensure proper fit: The MDT Composite Carbine Stock is designed to fit all LSS Chassis directly and has an AR15 Carbine interface. Confirm compatibility before use.
- Adjustments: Make adjustments to the Length of Pull (LOP) only when the firearm is not in use and pointed in a safe direction.
- Handling: Always handle the firearm with care, keeping your finger off the trigger until ready to shoot.
- MLoc Slots: Use the MLoc slots on the bottom of the stock for attaching accessories. Ensure that all attachments are securely fastened.
- Environmental conditions: Avoid exposing the stock to extreme temperatures, moisture, or chemicals that may compromise its integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your firearm according to the manufacturer's instructions.
- Align the MDT Composite Carbine Stock with the buffer tube of your firearm.
- Securely fasten the stock to the firearm using the provided hardware.
- Check that the stock is firmly attached and does not wobble.

### 2. Adjusting Length of Pull (LOP):

- The MDT Composite Carbine Stock comes with 4 LOP spacers.
- To adjust the length, remove the stock from the firearm.
- Add or remove spacers as needed to achieve the desired length.
- Reattach the stock to the firearm and ensure it is secure.

### 3. Using the Stock:

- Once the stock is installed and adjusted, hold the firearm with a firm grip.
- Ensure that your stance is stable and your body is positioned safely.
- Use the stock to stabilize your aim while shooting.

## **Disposal Instructions**

- Dispose of the MDT Composite Carbine Stock in accordance with local regulations.
- If the stock is damaged or no longer in use, consider recycling the polymer material where facilities exist.
- Do not dispose of the stock in regular household waste if it can be recycled or reused.

## **Contact Information for Further Support**

For safety inquiries and further support regarding the MDT Composite Carbine Stock, please refer to the manufacturer's website or contact them directly.

Thank you for prioritizing safety and responsible use. Enjoy your shooting experience with the MDT Composite Carbine Stock!
