# MDT Composite Carbine Stock Safety Instructions

## Introduction

Thank you for choosing the MDT Composite Carbine Stock. This product is designed to provide a durable and lightweight solution for your firearm needs. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always adhere to local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the stock only with compatible firearms, specifically AR15 Carbine interfaces and LSS Chassis.
- Do not exceed the recommended weight limit as specified by the firearm manufacturer.
- Always ensure that the firearm is unloaded when attaching or detaching the stock.
- Avoid using the stock in extreme weather conditions that may affect performance.
- Do not modify the stock in any way, as this may compromise its safety and functionality.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing buttstock from the firearm, if applicable.
- Align the MDT Composite Carbine Stock with the buffer tube.
- Securely fasten the stock using the provided hardware, ensuring it is tightly fitted.
- Adjust the Length of Pull (LOP) using the included spacers to fit your comfort.
- Check the stability of the installation before use.

### 2. Usage

- Always handle the firearm with care and respect.
- Ensure a proper grip and stance when using the firearm with the stock attached.
- Regularly check the stock for any signs of wear or damage during usage.
- If you experience any issues, cease use immediately and inspect the stock.

## Disposal Instructions

- Dispose of the MDT Composite Carbine Stock in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for polymer materials when available.

## Contact Information for Further Support

For any questions or concerns regarding the MDT Composite Carbine Stock, please contact the manufacturer or visit their official website. It is important to seek assistance for any product-related issues.

Thank you for your attention to these safety instructions. Your safety and the safety of others is paramount.

Enjoy using your MDT Composite Carbine Stock responsibly.
