

# Mirage Mitigation Hood Black

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The Mirage Shield/NV Bridge is a dual purpose, precision machined, add-on accessory for the MDT ACC chassis. While the main purpose of the mirage shield is to help mitigate mirage and maintain a clear view of your target in sustained strings of fire, it also provides the ability for hunters and operators to attach a night vision optic to their system. For competitors, the mirage shield also gives you better available surface to control the front of your rifle, without having to grab a hot barrel.

# MDT Mirage Mitigation Hood Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Mirage Mitigation Hood. This product is designed to enhance your shooting experience by mitigating mirage and providing a stable platform for night vision optics. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Heat Awareness:** The Mirage Mitigation Hood may become hot during use. Avoid touching the hood immediately after firing to prevent burns.
- **Proper Installation:** Ensure that the hood is securely attached to the MDT ACC chassis before use. A loose attachment can lead to accidents.
- **Night Vision Usage:** When attaching a night vision optic, ensure compatibility with the Mirage Mitigation Hood to avoid damage to the optic or the hood.
- **Shooting Environment:** Be aware of your surroundings and ensure that you are in a safe shooting environment when using the product.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the MDT ACC chassis is clean and free of debris.
- Align the Mirage Mitigation Hood with the mounting points on the chassis.
- Securely fasten the hood using the provided hardware, ensuring it is tightened adequately without overtorquing.

### 2. Usage:

- Before shooting, confirm that the Mirage Mitigation Hood is securely attached.
- When shooting, maintain a proper grip on the rifle to control the front end without touching the barrel.
- After extended use, allow the product to cool before handling.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For further assistance or safety inquiries, please refer to the manufacturer's contact points as indicated in the product packaging or documentation.
