

# High Scope Base for ESS Chassis System Remington 700, Bergara B14 SA FDE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

MDT's ESS Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. MDT's ESS Scope Base Picatinny Rails are specifically designed to be used with our ESS chassis system. The rails height has been determined to specifically align with the full & partial rail ESS forend.

# MDT High Scope Base for ESS Chassis System

## Safety Instructions

### Introduction

Thank you for choosing the MDT High Scope Base for ESS Chassis System. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

### General Safety Guidelines

- Always ensure that the rifle is unloaded before installing or adjusting the scope base.
- Inspect the scope base for any visible damage or defects before use.
- Ensure that the scope base is compatible with your specific rifle model (Remington 700, Bergara B14 SA).
- Follow all local laws and regulations regarding firearm use and modifications.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

### Specific Safety Precautions for Use

- Ensure that the Picatinny rails are securely mounted to prevent any movement during use.
- Avoid overtightening screws during installation, as this may damage the product or the rifle.
- Always check the alignment of the scope after installation to ensure proper sighting.
- Do not modify the scope base in any way, as this may compromise its safety and functionality.
- Use appropriate eye and ear protection when handling firearms equipped with the scope base.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather the necessary tools, including a screwdriver and any other tools specified by the manufacturer.
- Ensure the rifle is unloaded and in a safe working environment.

#### 2. Installation:

- Align the MDT High Scope Base with the mounting points on your rifle's receiver.
- Securely attach the scope base using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- If applicable, ensure that the recoil lug is properly integrated into the underside rail profile.

#### 3. Mounting the Scope:

- Position your scope onto the Picatinny rails.
- Adjust the scope to the desired position for optimal eye relief and comfort.
- Secure the scope using the appropriate mounting rings or clamps, ensuring they are tightened evenly.

#### 4. Final Checks:

- Doublecheck all screws and mounts to ensure they are secure.
- Perform a visual inspection to ensure that the scope is properly aligned and mounted.

#### 5. Usage:

- When ready to shoot, always follow safe firearm handling practices.
- Regularly check the scope base and mounts for any signs of wear or loosening during use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the scope base is damaged beyond repair, dispose of it in accordance with local waste management guidelines. Do not throw it in regular trash if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MDT High Scope Base for ESS Chassis System, please reach out to the appropriate support channels as indicated in the product packaging or documentation.

Thank you for prioritizing safety while using the MDT High Scope Base for ESS Chassis System. Enjoy your shooting experience responsibly!
