

High Scope Base for ESS Chassis System Remington 700, Bergara B14 LA Black

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

MDT's ESS Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. MDT's ESS Scope Base Picatinny Rails are specifically designed to be used with our ESS chassis system. The rails height has been determined to specifically align with the full & partial rail ESS forend.

MDT High Scope Base for ESS Chassis System

Safety Instruction Guide

Introduction

Thank you for choosing the MDT High Scope Base for the ESS Chassis System. This product is designed to enhance your shooting experience by providing a stable platform for mounting optics on your firearm. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use.

General Safety Guidelines

- Always ensure that the firearm is pointed in a safe direction when handling.
- Use eye and ear protection when using the firearm.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Do not exceed the manufacturer's specifications for mounting optics.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure the firearm is unloaded before installation.
- **Mounting:** Verify that the scope base is securely mounted to prevent any movement during use.
- **Weight Limit:** Be aware of the weight limit for scopes and accessories to avoid compromising the rifle's balance and performance.
- **Recoil Management:** Ensure that the integrated recoil lug is properly aligned to minimize movement during firing.
- **Check Compatibility:** Confirm that the scope base is compatible with your specific rifle model (Remington 700, Bergara B14 LA).
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that could affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that your workspace is clean and free of distractions.

2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing scope mounts or bases from the receiver.
- Align the MDT High Scope Base with the mounting holes on your firearm's receiver.
- Secure the base using the provided screws, tightening them evenly to the manufacturer's recommended torque specifications.
- Doublecheck that the base is firmly attached and does not move.

3. Optic Mounting:

- Attach your scope to the mounted base according to the scope manufacturer's instructions.
- Make sure the scope is level and securely fastened.

4. PostInstallation Check:

- Inspect the installation to ensure there are no loose components.
- Confirm that the scope is properly aligned and functions as intended.

Disposal Instructions

- When disposing of this product, follow local regulations for electronic waste and metal recycling.
- Do not dispose of the product in household waste.
- If the product is no longer usable, consider donating it to a local organization that can recycle or repurpose firearm accessories.

Contact Information for Further Support

For any inquiries regarding the safety or installation of the MDT High Scope Base for the ESS Chassis System, please consult your local authorized dealer or the manufacturer's website for more information.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your MDT High Scope Base for the ESS Chassis System. Thank you for prioritizing safety in your shooting activities.
