

High Scope Base for ESS Chassis System Savage SA FDE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

MDT's ESS Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. MDT's ESS Scope Base Picatinny Rails are specifically designed to be used with our ESS chassis system. The rails height has been determined to specifically align with the full & partial rail ESS forend.

MDT High Scope Base for ESS Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT High Scope Base for the ESS Chassis System. This guide provides essential safety instructions, installation guidelines, and usage recommendations to ensure the safe operation and longevity of your product. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the MDT High Scope Base is compatible with your firearm model (Savage 10, 12, 16, 11) before installation.
- Always handle firearms safely and responsibly, following all applicable laws and regulations.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product incidents or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Use the MDT High Scope Base only for its intended purpose, which is to mount optics on compatible Savage firearms.
- Ensure that the installation is performed in a safe environment, free from distractions.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Avoid applying excessive force during installation to prevent damage to the scope base or firearm.
- Do not modify the scope base in any way, as this may compromise its integrity and safety.
- If you are unsure about the installation or use, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screws.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Remove any existing scope base or rings from the firearm.
- Align the MDT High Scope Base with the mounting holes on the receiver of your firearm.
- Ensure the rail is flush against the receiver and matches the geometry of the ejection port.
- Secure the scope base using the provided screws, tightening them to the manufacturer's recommended torque specifications.
- Check that the recoil lug is properly seated if applicable.

3. Mounting Optics

- Place your optic onto the mounted scope base.
- Adjust the position of the optic to your preference, ensuring it is securely fastened.
- Perform a final check to ensure all screws are tightened properly.

4. Usage

- Regularly inspect the scope base and optics for any signs of wear or loosening.
- Make adjustments to your optics as needed, following the manufacturer's instructions.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use, dispose of it in a manner that protects the environment.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these guidelines, you can ensure the safe and effective use of the MDT High Scope Base for the ESS Chassis System. Thank you for your attention to safety and responsible firearm handling.
