

# High Scope Base for ESS Chassis System Howa 1500 LA Black

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

MDT's ESS Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. MDT's ESS Scope Base Picatinny Rails are specifically designed to be used with our ESS chassis system. The rails height has been determined to specifically align with the full & partial rail ESS forend.

# MDT High Scope Base for ESS Chassis System

## Safety Instruction Guide

### Introduction

Thank you for choosing the MDT High Scope Base for ESS Chassis System. This guide provides essential safety instructions to ensure the safe use and installation of this product. Please read this guide carefully before use.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to mount optics on the MDT ESS chassis system.
- Always inspect the product for any damage or defects before use. Do not use if any components appear damaged.
- Keep the product out of reach of children and individuals who may not understand its use.
- Follow all local laws and regulations regarding the use of firearms and related accessories.
- Report any unsafe products or incidents to the appropriate authorities.

### Specific Safety Precautions for Use

- When mounting the scope base, ensure that it is securely attached to prevent any movement during use.
- Do not exceed the manufacturer's specified weight limit for optics mounted on the scope base.
- Avoid using the scope base in extreme weather conditions that may compromise its integrity.
- Always wear appropriate safety gear, including eye protection, when using firearms equipped with the scope base.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.

### Instructions for Installation and Usage

#### 1. Installation Instructions

- Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
- Remove any existing scope mounts from the receiver if applicable.
- Align the MDT High Scope Base with the mounting points on the receiver, ensuring that the rail is flush against the surface.
- Use the provided screws to securely attach the scope base to the receiver. Do not overtighten as this may damage the base or the firearm.
- Check that the base is securely mounted by attempting to move it gently. It should not shift or wobble.

#### 2. Usage Instructions

- After installation, mount your optics onto the scope base according to the manufacturer's instructions for the optics.
- Ensure that the optics are also securely fastened to the scope base.
- Adjust the optics to your desired settings before use.
- Regularly check the tightness of the scope base and optics during use to ensure they remain secure.

### Disposal Instructions

- Dispose of packaging materials in accordance with local recycling guidelines.
- If the product is no longer usable, dispose of it in a manner that complies with local waste management

regulations.

- Do not throw the product in regular household waste. Check for designated disposal sites for metal products.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MDT High Scope Base for ESS Chassis System, please refer to the contact information provided on the product packaging or visit the official MDT website for more assistance.

By following these guidelines, you can ensure a safe and effective experience with your MDT High Scope Base for ESS Chassis System. Thank you for your attention to safety.
